**THE ALL-NEW AMAZE**

# THE HONDA AMAZE REWRITES THE RULES OF EVERYDAY DRIVING

At Honda, we believe that practicality should never be boring, and the new Honda Amaze is proof of that. Practical Is In, celebrates the modern driver who values style, smart choices, and everyday reliability. With sleek design, intuitive tech, and wallet-friendly performance, the Amaze shows that sensible can be seriously impressive. This isn't just a car; it's a statement that says you don't have to compromise to drive smart.

## EVERYDAY PRACTICALITY

The All-New Honda Amaze makes functionality feel premium. With a bold stance, sharp lines, and Honda's signature chequered flag-pattern grille, it's got a sleek look that stands out.

Advanced LED headlights and taillights ensure visibility in every condition, while 15-inch alloy wheels add a polished touch. At 3995mm in length with a 2470mm wheelbase, it's built for urban manoeuvrability without sacrificing space topped off with a 416L boot to fit all of life's essentials.

# SMOOTH SAILING EVERY TIME

Step inside and enjoy a cabin made for everyday comfort. A clean, uncluttered dashboard with integrated flow lines enhances visibility and space, while thoughtful details make every drive feel effortless.

Stay comfortable with full fabric seats that are soft, breathable and feel like home, while the urethane-grain steering wheel will give you a solid and sleek grip that's built for every ride.

## DRIVING JUST GOT A WHOLE LOT SMARTER

The 8-inch infotainment display with wireless Apple CarPlay® and Android Auto™ keeps you connected, while automatic climate control and a 7-inch TFT Multi-Information Display ensure every ride is as cool as it is safe.

Need extra convenience? A wireless smartphone charger\* keeps you powered up on the go—because practical means always being prepared.

# MODEL LINE-UP

## TREND

### 1.2L SOHC i-VTEC 5MT Transmission

The Trend includes:

- 5-Speed Manual Transmission
- 15" Alloy Wheels in Sparkle Silver

Indicated CO<sub>2</sub> and fuel consumption figures quoted are obtained when testing the vehicle in line with the compulsory requirements of SANS 20083 and therefore may not necessarily be achieved under day-to-day driving conditions. Actual fuel consumption figures may be influenced by a range of factors, including but not limited to vehicle maintenance, driving style and behaviour. Fuel consumption may be further affected by the environmental factors and conditions under which the vehicle is operated including altitude, road condition and traffic flow. The figures used in this guide should therefore be treated as indicative only.
