

Always forward

The new Kia Picanto

Movement that inspires

Always big on the important things

The new generation Kia Picanto is a big leap forward. It might be small, but it's big on features and show-stopping good looks. Compact dimensions combine perfectly with an oversized sense of fun, space and comfort. Always reliable, always surprisingly spacious, the stylish new Picanto is a match for anyone who dreams big.

State-of-the-art tech. Simply presented

The new ultra-modern interior adds sophistication, with the simple, centralised controls offering intuitive operation. New Picanto also arrives with wireless charging and a digital key, along with mobile-paired audio. A bigger, crisper 4.2" colour LCD screen comes standard.

View and select audio settings using a vivid 8" floating colour LCD touchscreen that also displays rearview camera images. The large screen means it's easier to make selections on the go, you can even personalize the display layout.

Bluetooth handsfree

Connect your mobile devices seamlessly with Built-in Bluetooth®, get instant, easy access to music streaming and hands-free calls for those work-from-car days.

Front-tray USB charger

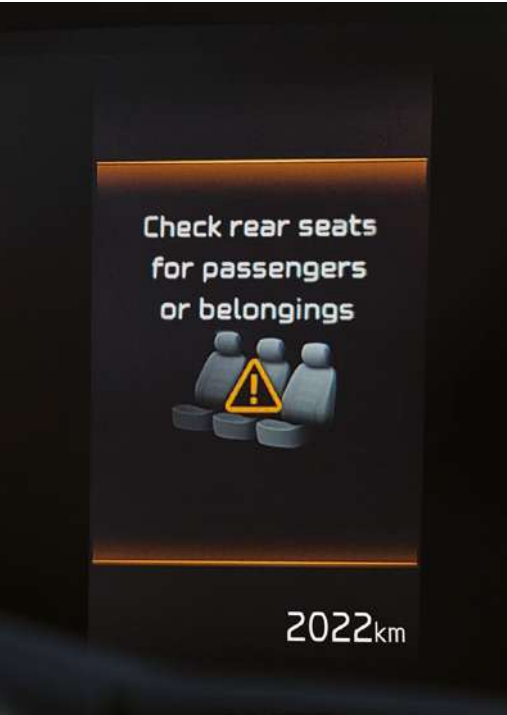

A centrally located USB charger gives the driver and passengers easy charging access for their compatible smartphones, tablets and gaming equipment.

Rear-seat USB charger

A USB-C port for the rear passengers sits just beneath the air vents, allowing easy access for passengers who wish to charge their compatible electronic devices.

Space for everyone in the Picanto is maximised - front and rear - with ample room to stretch and relax on firm, supportive seats.

Rear Occupant Alert (ROA)
To make sure no one is left alone, ROA warns you of any rear occupants still in the vehicle when you stop and prepare to exit.

Passenger-side seatback pocket

A pocket behind the passenger seat seatback can hold a variety of small items for greater storage convenience.

Centre console armrest

The floor-mounted center console offers a handy storage space, while the armrest at the top provides soft yet sturdy support for longer drives.

Every day, the Picanto reveals new possibilities. One day it's all passengers. Another day, you're moving cargo, or a mix of people and cargo. Picanto is designed to handle the unexpected with calmness and finesse.

60:40 split folding rear seats

The rear seatbacks are split 60:40 and fold flat. Your Picanto is ready for anything with numerous options to carry people or cargo, or both.

Dual-level luggage board

The cargo area floorboard mounts flush with the folded seatbacks. It conceals a handy space below to securely store items out of view.

Effortless agility. Remarkable range

The Picanto offers quick, responsive acceleration and enviable fuel economy. It's powered by an innovative engine perfected through decades of world-class engineering.

Day in and day out, it's tuned to handle the bumps and tight corners of city driving, as well as the smooth surface of open highways.

Specification varies by model. Please consult your Kia dealership to confirm all specification.

Parking Distance Warning (PDW)

To help you park safely and confidently, PDW uses ultrasonic sensors mounted on the rear bumpers to warn of any obstacles, helping you to position the wheels properly when maneuvering into tight spaces.
