The all-new
RIO

The Power to Surprise

Bigger, bolder and
poised for adventure.

The all-new KIA RIO makes an entrance with influential styling, loads of space, get up and performance as well as an all-round extraordinary driving experience that exudes charm and confidence. It's more than a city car. It's a city-to-city car.

Face the day with confidence.

The all-new RIO is more than just the attractive new car on your street. With comfortable seats, surprising versatility and dependability backed by a 5-year unlimited kilometre warranty, it's with you for the long haul.

Details contained in this brochure are intended as a general overview of the vehicle, and not as an exact description. Images shown are for illustrative purposes and may contain vehicles, specifications or colours that are model specific, that may not be available in this country, or may be fitted with optional extras. Please consult your nearest KIA dealership for exact details.

A silver Kia Rio is shown driving on a city street. The car is in the foreground, moving towards the right. The background features a mix of modern and traditional architecture, including a brick building with a storefront and older European-style buildings. Pedestrians are visible on the sidewalk, and the scene is set during the day with bright sunlight creating a warm, golden glow. The car's license plate area displays the word 'RIO'.

Provocative at rest. Tantalising in motion.

Attractive new aerodynamic contours are just part of what makes the all-new KIA RIO so striking. Its smooth ride, agile handling and invigorating performance help bring the excitement to life.

A red Kia Rio is shown from a rear three-quarter perspective, driving on a city street. The car is moving towards the left, with a blurred background of trees and buildings, suggesting motion. The car's rear features include the Kia logo, 'RIO' badging, and a license plate that reads 'RIO'. The scene is set during the day with bright sunlight creating a lens flare effect on the left side of the frame.

An everyday car, for every occasion.

With award-winning style, ample seating and cargo space, the all-new KIA RIO lets you set out every day feeling like the world is yours to explore.

See the road from a position of heightened control.

The cockpit prioritises information and limits visual and manual distractions. The cluster presents driving data, while a centre floating display simplifies access to a range of entertainment and comfort controls.

Technology has made our lives convenient, but it's only useful when it's available at the right time and place. The all-new RIO offers a straightforward presentation of the tech you need at your fingertips, so you can focus on the road.

Bluetooth Technology gives your hands-free access to your phone and its functions.

7" Colour Touchscreen Audio With Apple Carplay and Android auto features, along with MP3 compatibility, the 7" TFT-LCD touchscreen displays artist and track, controlled with the tap of a finger.

Rear View Camera So you can see what's happening behind you.

Auxiliary and USB Connections Flash drives and other compatible audio devices can be connected via 3.5mm (analog) and USB ports.

Relax all the way there. And back.

Five people can ride comfortably with plenty of room to stretch thanks to a longer wheelbase, front headrests that slide for extra comfort and automatic air-conditioning (available on the TEC model).

Every aspect of this cabin is designed to feel native to the human touch. So, whether you're the driver or passenger you're in for an extraordinary surprise.

Full-folding 2nd Row Seats Rear seats fold fully flat, so when you need to, you can accommodate long or bulky items in an extended cargo space.

60:40 Split-folding Rear Seats The rear seats split 60:40 and fold flat, giving you utmost flexibility in managing cargo and passenger space.

Give yourself room to live out those dreams.

Whether it's an average day or the trip of a lifetime, the all-new RIO makes the good life that much easier to achieve. Get familiar with its clever approaches to stowing cargo and putting people at ease.

Rear Park Distance Control When you back into a parking spot, how much room do you have left? As you reverse, audible beeps alert you to the distance to obstacles behind you. Only available on the EX and TEC models.

Antilock Braking System (ABS) A fundamental element of active safety systems, ABS helps provide greater vehicle control when stopping in difficult conditions like wet or slippery roads.

A single-minded obsession with safety.

Even the most sculpted car has one paramount duty: to protect the people inside it and around it. The all-new Rio features intelligent active-safety technology and substantial passive-safety enhancements to protect people.

51% AHSS Application

The all-new RIO uses more than 51% Advanced High Strength Steel (AHSS), which is a more than 54% increase from the previous model. This equates to phenomenal body rigidity, enhancing cabin protection as well as dynamic performance.

8 zones with Hot-stamped Components

The all-new RIO features hot-stamping of components in 8 core stress areas. The strengthened body structure helps provide improved crash protection.

97m of Structural Adhesive

With almost three times the structural adhesive applied compared to the previous generation, the all-new RIO is more rigid yet lighter, and features improved noise, vibration and harshness management.

6 Airbags Our protection system includes front airbags for the driver and front-seat passenger, two airbags on the sides and two curtain airbags running the length of the cabin. Only available on the TEC model.

The details make the difference.

Your car should deliver everything you expect from a drive. Choose the options and accessories that will make it yours and yours alone.

Sunroof
An available power sunroof adds an open-air feeling to the already roomy cabin of the all-new Rio. Available as an option on the TEC model.

Bi-projection Headlamps
Bi-projection headlamps offer increased illumination, enabling you to better detect obstacles and the road ahead.

Electric Folding Mirrors
You can fold and unfold the outside mirrors conveniently with the push of a button. Model specific.

Radiator Grille
The iconic Kia radiator grille is completely restyled. Most of the airflow used for cooling enters through the lower intake.

Aero Blade Wipers
Aerodynamic wiper blades keep the blade in contact with the windshield at high speeds.

Rear Spoiler Garnish
A rear spoiler improves the air vortex around C pillar for enhanced aerodynamics and downforce on the rear tyres.

Audio Remote Control
Stay in control. Designed for simplicity, these steering wheel audio controls, will keep your hands on the wheel and your eyes on the road.

Telescopic & Tilt Steering
Adjust the steering column up and down, and in and out, to find just the right position for you.

Auto Defog System
The auto defogger detects mist on the windshield, and automatically deploys the fans to clear the glass rapidly. Only available on the TEC model.

ECM Rear-view Mirror
The Electro-Chromatic Mirror automatically controls the glare from the headlamps of the car behind you during the nighttime. Only available on the TEC model.

Rain Sensor
The rain sensor detects raindrops on the windshield and activates the wipers when a coverage threshold is met. Only available on the TEC model.

Sunvisor Illumination Lamps
LEDs over the vanity mirror on the driver-side sunvisor light up to help you see yourself better in the mirror.

Manual A/C
Simple soft-touch switches and dials let you adjust the temperature quickly with minimal distraction.

Auto Air Conditioning
FATC lets you set preferable temperature for comfortable ride in any weather conditions. TEC only.

Adjustable Seatbelt Anchor
The height-adjustable seat-belt anchors allow for seat-belts to be raised and lowered to achieve the perfect fit.

Front & Rear Door Bottle Holders
The drink bottles are easily on hand with holders in both the front and rear doors.

Centre Console Armrest
Offers comfortable support when driving, and is covered in soft material that is colour-coordinated with the interior trim. Not available on the LS model.

Rear USB Charging Port
Rear passengers can charge their electronic devices via the USB port mounted at the back of the center console.

Designed to fit your mood.

Choose from a selection of styled upholstery treatments that make the interior of the all-new RIO uniquely comfortable and refreshing.

Black One-tone Interior

**Rio TEC Saturn
Black leather**
Soft, bolstered seats with half-perforated Saturn Black leather trim offer long-lasting comfort. Matching trim on the doors and dash give the interior a welcoming ambience.

**Rio LX and EX
Black Cloth**
The interior is upholstered in a combination of soft tricot and honeycomb-pattern, embossed tricot. Matching tones on the doors and the dash provide a consistently appealing look.

**Rio LS
Black Cloth**
The interior is upholstered in a combination of soft tricot and woven cloth with a subtle triangular pattern. Matching tones on the doors and the dash provide a consistently appealing look.
