

All-new  
**SELTOS**

The Power to Surprise

# LIKE A DOG WITH TWO TAILS

## ARRIVE HAPPY IN THE NEW KIA SELTOS

With its eye-catching exterior styling, bold headlamps and muscular stance, the all-new KIA Seltos is a compact SUV like no other. Not that you would expect anything less from KIA: with one of the most awarded design teams in the world, state-of-the-art production technology and world-class quality credentials, the Seltos is the car you've been waiting for.

With standard LED Daytime Running Lights, the KIA Seltos is immediately visible in a rear-view mirror, or when approaching from the front. The Seltos GT Line also boasts full LED headlamps and turn signals.

Unique alloy wheel designs complement the striking exterior of the KIA Seltos. The Seltos EX is equipped with 16-inch wheels, while the EX+ rides on 17-inch alloys. Seltos GT Line is fitted with exclusive crystal-cut 17-inch alloy wheels with red trim.

# DRIVING ON SUNSHINE

## AND I FEEL GREAT

Inspired by Greek mythology, the all-new KIA Seltos represents the brave and assertive spirit of Seltos, son of Hercules. So whether you're conquering the urban jungle or exploring the great outdoors, the all-new KIA Seltos is up for any challenge. And with seven amazing exterior colours to choose from - including three exciting two-tone options - your car will match your jovial mood come rain or shine.

# HOME IS WHERE THE HEART IS

Seltos EX comes standard with high quality, durable cloth upholstery, while the EX+ will cosset you in comfortable leather seats. Seltos GT Line is equipped with an exclusive leather upholstery incorporating GT Line embroidery.

1. Choose between a 6-speed manual transmission (EX only).
2. 6-speed automatic transmission (EX and EX+). Seltos GT Line is equipped exclusively with KIA's latest 7-speed DCT (Dual Clutch Transmission).

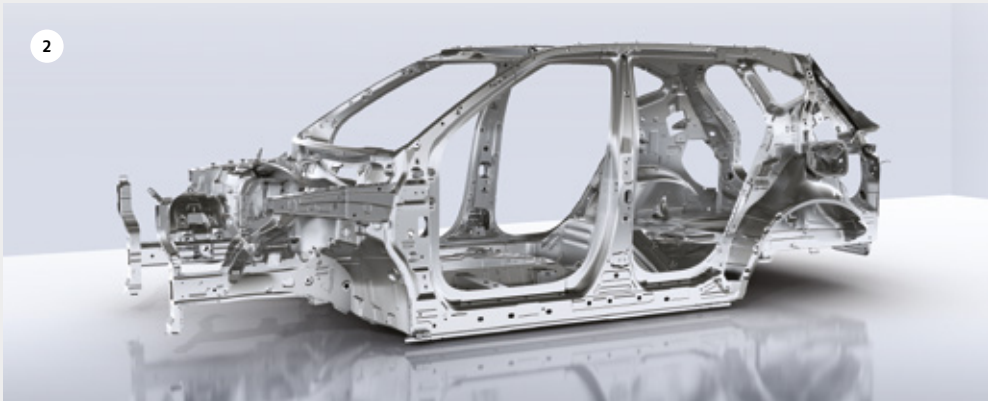

3. Choose between Normal, Eco and Sport, and Seltos will adapt to your needs. Need more traction? Dial into the Terrain function and choose between Snow, Mud and Sand to effortlessly glide through life's little obstacles. (GT Line only)

4. Adjust the volume of your favourite song, engage cruise control, and answer those urgent calls: control at your fingertips thanks to steering wheel remote controls.

5. The KIA Seltos comes standard with an 8-inch colour touchscreen infotainments system, making it easier to access and control important functions.

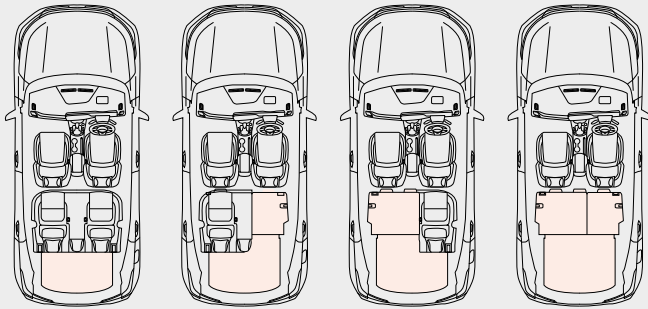

### 1. REVERSE CAMERA

Incorporated into the 8-inch colour touchscreen infotainment system in the KIA Seltos is a reverse camera with dynamic guidelines. Linked to the rear reverse parking sensors, you can now confidently park in any space.

### 2. SAFETY SHELL

The KIA Seltos features an advanced body shell design comprising Advanced High Strength Steel (AHSS) that improves the vehicle's body stiffness. By using Hot Stamping technology, body structure connections are further optimised to distribute impact energy and enhance collision performance.

### 3. AIRBAGS

To help protect you and your loved ones, and potentially reduce injuries in the event of a collision, the KIA Seltos offers driver and passenger front airbags, two front side airbags and two side-curtain airbags that run the length of the interior on each side.

### 4. 60:40 SPLIT SEATS

With 433 litres of luggage space when the rear seatbacks are folded down, the KIA Seltos is ready to carry just about any load.

D-cut steering wheel

Stainless steel pedals

# INTRODUCING THE QUICKEST WAY TO ARRIVING HAPPY

With its striking exterior accents, the Seltos GT-Line stands apart with a personality all its own. Racing-inspired touches, like the D-cut steering wheel and the stainless pedals with easy-to-grip rubber nubs, help to make the Seltos GT-Line as exciting to drive as it is to look at.
