**ABOVE & BEYOND**

Ever since the first Land Rover vehicle was conceived in 1947, we have built vehicles that challenge what is possible. These in turn have challenged their owners to explore new territories and conquer difficult terrains. Our vehicles epitomise the values of the designers and engineers who have created them. Each one instilled with iconic British design cues, delivering capability with composure. Which is how we continue to break new ground, defy conventions and encourage each other to go further. Land Rover truly enables you to make more of your world, to go above and beyond.

DISCOVERY SPORT COMBINES  
DESIGN EXCELLENCE, ENGINEERING  
INTEGRITY AND EXCEPTIONAL  
VERSATILITY TO CREATE A PREMIUM  
COMPACT SUV.

**Gerry McGovern.**

Land Rover Design Director and Chief Creative Officer.

## DESIGN

# EXTERIOR

This is a modern, relevant and compelling vehicle, with its well-proportioned compact body and purposeful stance. Its distinctive silhouette and beautifully sculpted surfaces all combine to create a vehicle that truly connects on an emotional level.

Discovery Sport is ready for anything. Characteristic design cues complement perfectly balanced proportions. Strong dynamic lines and robust detailing signal Discovery Sport's incredible breadth of capability.

Signature features include a clamshell bonnet and distinctive two-bar grille with hexagonal mesh.

The fast bonnet line with a pronounced step into the rising beltline conveys a dramatic stance, whilst the roof tapers subtly downwards, adding extra dynamism.

## INTERIOR

The desirability of the exterior design continues into the cabin with bold horizontal and vertical lines, complemented by clean surfaces, superb finishes and optional premium leathers that give a luxury feel to the highly versatile interior. Inside and outside seamlessly blend into a vehicle that clearly communicates its Discovery DNA, whilst firmly looking forward. This spirit of adventure is reflected in Discovery Sport's interior, which has been designed with you at its core. It features high-quality materials and a strong vertical centre console design to reflect the premium exterior.

The cabin is equipped with up to three\* 12V power points and six\* USB charging sockets. These can be specified for all three rows of seating, allowing multiple electronic devices to be charged simultaneously.

## COMMAND DRIVING POSITION

The Command Driving Position in Discovery Sport ensures a greater view of the road ahead so all terrains can be tackled with confidence.

\*Trim level dependent.

Interior shown left and above is HSE Luxury in Glacier/Lunar with optional 10" Touch Pro. Vehicle shown above right is HSE Luxury in Scotia Grey.

## 5+2 SEATING

Discovery Sport offers exemplary levels of comfort and outstanding versatility. The second row is extremely spacious and flexible with the seats able to slide back and forth by 160mm for greater loadspace or comfort.

The optional third row\*, with its simple, single-handed 50:50 deployment, has been cleverly incorporated to avoid any compromises to the vehicle's exterior design, whilst maintaining passenger comfort.

By folding down the third row, a flat loadspace is available for whenever you need it. So wherever you're seated, or whatever you want to carry, you can relax.

### LEGRoom

839mm

### MORE LEGRoom

999mm

### LOADSPACE

1,887mm

\*Not available on eD4 and TD4 150hp engines.  
Interior shown left is HSE Luxury in Glacier/Lunar.

**5+2 SEATS**  
194 LITRES

**5 SEATS**  
981 LITRES

## LOADSPACE CAPACITY

Deceptively roomy. Cleverly configured. Discovery Sport has been designed and engineered to meet any challenge.

The vehicle has the option of flexible seating which, when stored flat, gives a load floor that is as long as Range Rover and a maximum loadspace of 1,698 litres.

Even whilst carrying five passengers, the loadspace is still an impressive 981 litres. Discovery Sport can handle bulkier loads with consummate ease when the second and third rows are folded flat. Such flexibility helps make carrying family, friends and all their gear that much easier.

**4 SEATS**  
1,124 LITRES

1,411 LITRES

**2 SEATS**  
1,698 LITRES

# HSE DYNAMIC LUX

## EXTERIOR

The Discovery Sport HSE Dynamic Lux delivers a more assertive stance whilst retaining the instantly recognisable design cues of the Discovery Sport. Yet, when it comes to capability and versatility, nothing has been lost.

However, in terms of dynamism and appeal, much has been gained. The vehicle's bold front and rear design with contoured side mouldings form a dramatic presence. This has been augmented with a Black mesh design for the front grille and side vent. Distinctive Chrome exhaust finishers\* together with a Red SPORT badge further enhance the appearance.

\*Chrome exhaust finishers only fitted on diesel engines. Petrol engines fitted with a silver painted finisher.

Vehicle shown right is HSE Dynamic Lux in Firenze Red.

## INTERIOR

Carefully selected sporting touches enhance the interior of Discovery HSE Dynamic Lux. Together with perforated Windsor leather in a choice of three striking colourways, they help create a vehicle with exemplary levels of finish.

The mood is augmented by contrast micropiping on the seats and headrests. The interior is further complemented with aluminium sport pedals.

Interior shown left and above is HSE Dynamic Lux in Ebony/Ebony with Pimento stitching and piping.  
Interior shown with Carmine Red Brushed Aluminium centre stack side rails, optional 10" Touch Pro, and accessory gearshift paddles.

## DRIVING TECHNOLOGY

# TESTING

Before any vehicle can carry the Land Rover badge, it must complete a series of rigorous tests to establish the very highest levels of luxury, performance and capability.

### SUSPENSION

You're unlikely to push any Land Rover harder than we have. For an unrivalled breadth of dynamic capability, both on and off-road, the vehicles have been exposed to ten years of the most extreme driving pressures in a fraction of the time using our state-of-the-art test rig.

### WIND SPEED

Discovery Sport was developed in state-of-the-art wind tunnels and a suite of climatic chambers to recreate some of the most challenging aerodynamic conditions it will face. Only by pushing all systems to their limits do we develop true reliability.

### HOT AND COLD CLIMATE

In real world environments and our climate chambers, we freeze vehicles to -40°C and bake them to 50°C. Key functions and systems are then scrutinised to our exacting standards. So even in the most remote locations, comfort and peace of mind are never far away.

### OFF-ROAD

From the icy proving grounds of Arjeplog, Sweden, to Dubai's unforgiving desert sands, we ensure our legendary all-terrain performance is innate in every vehicle. Prototypes are developed across approximately 5,282 miles of the most demanding off-road routes.

### SEMI-ANECHOIC CHAMBER

In the 'neutral sound' of our semi-anechoic chamber we precisely expose the cabin to a range of frequencies and vibrations, making certain that Discovery Sport sounds refined at every speed and across every surface.

### MONSOON

Our water testing facilities ensure each vehicle can enter and exit a body of water without a single droplet entering the cabin. In the monsoon simulator each one is drenched with some 85,000 litres of specially dyed water, while tilting it by as much as 45°, checking for even the slightest leak with UV lights.

# TERRAIN RESPONSE

Land Rover has always been synonymous with capability and the Discovery Sport lives up to even the most demanding expectations. Confident and responsive, the drive is further enhanced by a generous wheel articulation and innovative off-road technologies such as Terrain Response.

This feature is standard on all AWD vehicles and allows you to adapt the response of the vehicle's engine, transmission, differentials and chassis systems to maximise driveability, comfort and traction.

There are four standard Terrain Response settings: General Driving, Grass/Gravel/Snow, Mud & Ruts and Sand. So, the vehicle feels sure-footed no matter what the terrain or weather conditions.

An optional fifth setting, **Adaptive Dynamics** is also available\*. This mode tunes the suspension to deliver even tighter body control with flatter handling and sharper responses.

Adaptive Dynamics

General Driving

Grass, Gravel, Snow

Mud & Ruts

Sand

\*Not available with eD4 or TD4 150hp engines. Only available on HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux models.  
Vehicle shown right is HSE Luxury in Scotia Grey.

## ALL TERRAIN PROGRESS CONTROL

All Terrain Progress Control (ATPC) is a state-of-the-art system that enables drivers to set and maintain a steady speed in challenging conditions. The system is fitted as standard on SD4 and Si4 engines. It is an optional extra on TD4 180hp engines when specified with Automatic Transmission.

Operating like a Cruise Control system, it functions at very low speeds between 1mph and 18mph, helping the driver to maintain full concentration on steering and finding a path through obstacles.

In addition, the system enables the vehicle to pull away smoothly and easily, even on tricky low-friction surfaces like ice, snow or wet grass.

Developed by Land Rover's industry-leading all-terrain specialists, it works seamlessly alongside the standard **Terrain Response**, All Wheel Drive (AWD) traction and braking systems.

Once ATPC is activated, the standard steering wheel +/- Cruise Control buttons are used to set the speed. Brake and accelerator pedals can still override the chosen settings.

## HILL DESCENT CONTROL

Land Rover's patented Hill Descent Control (HDC) is a standard feature on all All Wheel Drive (AWD) vehicles. It assists the driver with controlled descents of difficult slopes by maintaining a constant speed and applying braking separately to each wheel.

**Hill Start Assist** ensures the vehicle doesn't roll backwards as it pulls away on an incline.

The vehicle also utilises **Gradient Release Control (GRC)** which is designed to prevent the vehicle accelerating too quickly on a steep incline when the driver releases the brake.

## WADE SENSING

With a wading depth of up to 600mm, whether crossing streams, fords or flooded areas, the optional Wade Sensing feature can prove invaluable.

Unique to Land Rover, sensors located in the door mirrors give the driver pictorial real-time information about the water's depth in relation to the vehicle, as well as maximum wading capability via the Touchscreen.

## ADAPTIVE DYNAMICS

Optional\* Adaptive Dynamics with advanced MagneRide™ monitors vehicle movements at least 1,000 times per second, reacting to driver or road inputs instantaneously to give greater control and minimise body lean, providing a balanced, flat ride. Available on TD4 180hp, SD4 and Si4 engines, the system will even sense off-road conditions and optimise the advanced MagneRide™ damper settings accordingly, delivering the perfect balance of agile handling and a supple, controlled ride.

- 1 UNADJUSTED LATERAL BODY LEAN
- 2 CORRECTED LATERAL BODY LEAN

## TORQUE VECTORING

When cornering, the vehicle's agility and stability are enhanced by the Torque Vectoring by Braking system. This feature comes as standard on all All Wheel Drive (AWD) vehicles. Monitoring the vehicle, the system constantly balances the distribution of torque between all the wheels to improve grip and steering whether on or off-road.

- A UNDERSTEER DETECTED
- B FULL TORQUE TO OUTER WHEELS
- C BRAKING FORCE TO INNER WHEELS
- D LINE CORRECTED

## ACTIVE DRIVELINE

Standard on the SD4 engine, Active Driveline delivers benefits in both on and off-road situations. In many on-road driving conditions, the system is able to disconnect drive to the rear of the vehicle, providing maximum Front Wheel Drive (FWD) fuel economy. A sophisticated control strategy continuously monitors key vehicle and environmental parameters.

If the requirements for AWD are met, the system seamlessly and imperceptibly reconnects drive to the rear of the vehicle within 300 milliseconds. When off-road driving, torque to each rear wheel can be varied according to the available grip. A dedicated display on the Touchscreen relays detailed information, so you always feel in control.

- 3 FRONT WHEEL DRIVE (FWD)
- 4 ALL WHEEL DRIVE (AWD) ACTIVATED

\*Not available with eD4 or TD4 150hp engines. Only available on HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux models. MagneRide™ is a registered trademark of BWI Company Limited S.A. Vehicle shown left and above is HSE Dynamic Lux in Firenze Red. Vehicle shown above right is HSE Luxury in Scotia Grey.

## TOWING AIDS

With a towing capacity of up to 2,500kg\*, and by incorporating tailored technologies, Discovery Sport can handle the most demanding of tasks.

### ELECTRICALLY DEPLOYABLE TOW BAR

The optional electrically deployable tow bar is stowed discreetly behind the bumper, providing a clean and attractive finish. Approved for up to 2,500kg\* trailer load.

### DETACHABLE TOW BAR

Convenient and easy to use, the optional detachable tow bar maintains the vehicle's exterior design when removed or when stowed.

### REAR CAMERA

Providing improved visibility when reversing, the Rear Camera is a valuable parking aid and offers help when hitching a trailer. Fitted as standard on Landmark Edition, HSE, HSE Luxury, HSE Dynamic Lux and available as an option on Pure, SE and SE Tech models.

**Tow Hitch Assist** makes coupling a trailer to the vehicle much easier by helping you visualise the hitching process; it displays the predicted path of the vehicle towards the tow bar on the Touchscreen. Standard with Rear Camera.

### TRAILER STABILITY ASSIST

Trailer Stability Assist monitors the vehicle to detect movements in the trailer and then uses selective braking to help correct potentially hazardous situations.

### 360° SURROUND CAMERA

As part of the 360° Surround Camera, the Tow Assist feature helps with reversing by predicting the trailer's direction. You can even input your trailer's width for precise guidelines displayed on the Touchscreen.

\*Diesel engines specified with automatic transmission and as a 5 seat variant.  
Towing regulations vary by market. Please ensure you comply with relevant legislation in your country.  
Touchscreen shown is 10" Touch Pro.  
Vehicle shown left and above is HSE Luxury in Scotia Grey.

## TECHNOLOGY

# INFOTAINMENT

InControl is our suite of advanced technologies that links both you and your Discovery Sport to the wider world. Choose from two infotainment systems: Touch or Touch Pro which can be further enhanced by adding their respective connectivity packages: Connect and Connect Pro.

## HEAD-UP DISPLAY

Head-up Display is a technology option that presents key vehicle data such as vehicle speed, gear position and navigation directions<sup>1</sup> on the windscreen, without the need for the driver to take their eyes off the road.

This innovative laser system is more robust against issues such as 'washout' – the effect that the glare from sunlight has on inferior LED-based systems. The feature can be turned on and off dependent upon driver preference. Available as an option on HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux with Touch and Touch Pro as part of the Head-up Display Pack or the All Round Vision Assist Pack.

<sup>1</sup>Requires Navigation or Navigation Pro.

Get your life InControl at [landrover.co.uk/incontrol](http://landrover.co.uk/incontrol)

Remote Premium contains subscription services that can be extended after the initial term advised by your Land Rover Retailer. InControl features, options and their availability remain market dependent – check with your Land Rover Retailer for local market availability and full terms. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected. Mobile network connectivity cannot be guaranteed in all locations. InControl Apps and Remote App will need to be downloaded from the Apple/Play Store. All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

## TOUCH

### STANDARD ON PURE, SE, SE TECH, HSE, LANDMARK EDITION, HSE LUXURY AND HSE DYNAMIC LUX MODELS

- 8" Touchscreen
- Enhanced Sound System 190W with 10 speakers (Standard on Pure, SE and SE Tech)
- Meridian™ Sound System 380W with 10 speakers plus subwoofer (Standard on HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux and optional on SE and SE Tech models)
- Digital Audio Broadcast (DAB) Radio
- **Protect** consists of SOS Emergency Call, Land Rover Optimised Assistance and Remote Essentials smartphone app.

### OPTIONAL

- Navigation including Voice Recognition (Standard on SE Tech, HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux)
- **Secure Tracker** provides stolen vehicle tracking by detecting any unauthorised movement of your vehicle
- **InControl Apps** features a range of Land Rover approved apps that can be connected to Discovery Sport from your smartphone, to enhance aspects of your in-car experience (Standard on HSE Luxury and HSE Dynamic Lux models)
- **Traffic Sign Recognition**<sup>1</sup> (Standard on HSE Luxury and HSE Dynamic Lux models)
- **Connect** takes your vehicle's connectivity to the next level including:
  - InControl Apps
  - Remote Premium is a multi-function app that allows you to monitor and interact with your vehicle remotely through your smartphone, making life easier and more connected
  - Wi-Fi Hotspot.

<sup>2</sup>Only available as part of the Entertainment Packs. <sup>3</sup>Only available as part of Connect Pro Pack.

<sup>4</sup>Only available as part of the Entertainment Pack with Rear Seat Entertainment. <sup>5</sup>Standard on HSE Luxury and HSE Dynamic Lux models.

Stay connected while on the move. Discovery Sport comes equipped with a SIM Card and data plan when specified with the Connect Pack or Connect Pro Pack. If the Connect Pack is chosen, your vehicle will have a trial data plan of 1GB of data per month for three months, powering your vehicle's Wi-Fi Hotspot to which you can connect up to 8 devices (subscriptions available thereafter). When specified with the 'Connect Pro Pack' your vehicle will be equipped with an essential data plan of 500MB of data per month for the initial warranty period. You'll be better connected, receiving live traffic updates and more. Additional data can be purchased.

Please refer to the standard and optional feature listing on pages 74-75. Vehicle shown left is HSE Luxury in Yulong White.

## TOUCH PRO

### AVAILABLE AS AN OPTION ON HSE, LANDMARK EDITION, HSE LUXURY AND HSE DYNAMIC LUX MODELS

- 10" Touch Pro
- Meridian™ Surround Sound System
- Navigation Pro<sup>2</sup> including Voice Recognition
- Voice Recognition
- CD/DVD player
- **Pro Services** including Wi-Fi Hotspot<sup>3</sup>, Route Planner App, Share ETA, Live Services, Commute Mode, Arrival Mode and Arrival Mode Parking
- Digital Audio Broadcast (DAB) Radio (Standard on all models)
- **Protect** (Standard on all models).

### OPTIONAL

- 10" Touch Pro Dual View Display<sup>4</sup>
- Digital TV<sup>4</sup>
- Rear Seat Entertainment<sup>4</sup>
- **Secure Tracker**
- **InControl Apps**<sup>5</sup>
- **Traffic Sign Recognition**<sup>5</sup>
- **Connect Pro** gives you the very highest level in connectivity and convenience. Features include:
  - InControl Apps
  - Remote Premium
  - Pro services and Wi-Fi Hotspot.

## AUDIO

For the sharpest sound quality, Discovery Sport offers you the choice of three exceptional audio systems. A 10 speaker system is standard on Pure, SE and SE Tech.

Added to which, Land Rover has partnered with Meridian™, a world leader in high-performance audio technologies and digital sound processing, to develop advanced audio systems for Discovery Sport.

Dynamic Volume Control technology has been integrated on all Meridian sound systems, to ensure that any unwanted noise detected in the cabin will be smoothly and automatically balanced out.

The Meridian™ Sound System 380W is optional on SE and SE Tech and standard on HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux as part of the Touch suite of features.

This sound system includes 10 speakers and a dual channel subwoofer, delivering exceptional definition, crystal clear highs and full, deep bass through the careful arrangement of speakers.

Discovery Sport also offers an optional upgrade from the 380W system to the Meridian Surround Sound System, which produces 825W through 16 speakers and a dual channel subwoofer.

This system also includes Meridian Trifield™ technology. This technology delivers the very best in world-class audio reproduction, bringing you closer to the original performance regardless of your position in the vehicle; everyone will feel and hear pure musical enjoyment.

Meridian is a registered trademark of Meridian Audio Ltd.  
Trifield and the "three fields" device is a trademark of Trifield Productions Ltd.  
Interior shown left is HSE Luxury in Glacier/Lunar, with optional Meridian Surround Sound System.  
Touchscreen shown is 10" Touch Pro.  
Vehicle shown right is HSE Luxury in Yulong White.

 SUBWOOFER

# CONNECTIVITY

Touch and Touch Pro provide a wealth of information and entertainment. This intuitive InControl technology can help you find a parking space, stream your favourite music and even help you with the recovery of a stolen vehicle. Making life more rewarding, hassle-free and enjoyable.

## PLANNING ROUTES

Before setting off, use the **Route Planner** app or online portal to search, save locations or set your destination. The app uses the Cloud to send your destination automatically to your vehicle's navigation screen. Only available with the Connect Pro Pack.

## STAYING CONNECTED

Before you get into your vehicle, set your ideal cabin temperature with the **Remote Premium** app on smartphones and the Apple Watch. On the road, the in-car **Wi-Fi Hotspot** provides a stable Internet connection and lets you connect up to eight devices. Available with Connect or Connect Pro Pack.

## STAYING FOCUSED

Our Touch Pro **Voice Recognition** system understands normal spoken instructions. So you can concentrate on the road ahead without any distractions.

## FINDING PARKING

When you near your destination, **Navigation Pro** will suggest nearby parking from a database including space availability. With just one click, the car park is added and your route is updated. **Arrival Mode Parking** shows a 360° street level image to help you identify your destination. Only available with Connect Pro Pack.

## MOVING FASTER

Touch Pro brings you more processing power, thanks to a quad core processor plus an integrated Ethernet network.

Customisable homescreens let you arrange the screen, as you like, with up to four personalised homescreens and over 60 shortcuts.

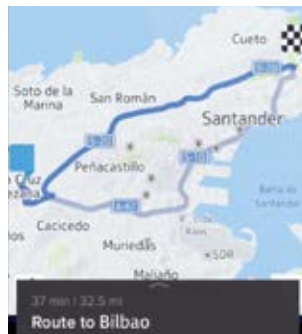

## INTELLIGENT ROUTING

**Commute Mode** allows the system to learn your commutes and automatically advises you of the expected journey time based on live and historical traffic movements without having to input a destination. The system learns the routes you take for a given destination and then advises which of those is the quickest. Only available with Connect Pro Pack<sup>1</sup>.

## SHARING PROGRESS

Share your estimated time of arrival so your selected contact(s) will know exactly when you will arrive, as calculated by the navigation guidance system. If you're running late, **Share ETA** can then send automatic updates via text or email, without any further action from you. Only available with Connect Pro Pack<sup>1</sup>.

## DOOR-TO-DOOR

Once you've parked, the **Route Planner** app will guide you to your destination – a true door-to-door experience which includes public transport options. Only available with the Connect or Connect Pro Packs. The **Remote Premium** app also lets you check your vehicle to make sure you've locked and secured all doors and windows. Available with Connect or Connect Pro Pack<sup>1</sup>.

## STOLEN VEHICLE TRACKING

With optional **Secure Tracker<sup>2</sup>**, if your vehicle is broken into, a silent alarm is triggered alerting the relevant authorities. Your vehicle can then be tracked until it is recovered.

## HELP IS ALWAYS AT HAND

With **Protect**, in the event of an incident, SOS Emergency Call<sup>3</sup> will automatically connect you to the emergency response team who will send the emergency services to your location. Otherwise, you can call them manually via an in-car button. You can also summon a Land Rover Optimised Assistance operator should you need technical assistance. Standard with Touch and Touch Pro.

<sup>1</sup>Online functionality and Wi-Fi connectivity is dependent on the installation of a micro SIM with a suitable data contract.

<sup>2</sup>Secure Tracker is a subscription service that can be extended after the initial term advised by your Land Rover Retailer. <sup>3</sup>For peace of mind, this service is provided for the first ten years from date of registration.

Remote contains subscription services that can be extended after the initial term advised by your Land Rover Retailer. InControl features, options and their availability remain market dependent – check with your Land Rover Retailer for local market availability and full terms. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected. Mobile network connectivity cannot be guaranteed in all locations. InControl Apps will need to be downloaded from the Apple/Play Store. All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times.

# DRIVER ASSISTANCE

## DRIVING AIDS

### LANE KEEP ASSIST AND DRIVER CONDITION MONITOR

Lane Keep Assist detects when your vehicle is unintentionally drifting out of your lane, and applies a corrective torque to the steering wheel, encouraging you to guide your vehicle back. Driver Condition Monitor detects if you're starting to feel drowsy and gives you an early warning when you need to take a break.

### ADAPTIVE CRUISE CONTROL WITH QUEUE ASSIST

When you're cruising on the motorway or travelling in slow-moving traffic, this system will keep your vehicle a safe distance from the one in front should it slow or stop. Should the vehicle in front stop completely, your vehicle will come to a smooth halt. Once the traffic moves, simply touch the accelerator and Adaptive Cruise Control will resume following the car in front. The system operates from 10mph up to motorway speeds.

### AUTONOMOUS EMERGENCY BRAKING

If a potential frontal collision is detected, this system displays a forward alert, giving you time to take action. A camera at the front of the vehicle monitors at speeds from 3mph to 50mph for frontal collisions. If a collision is still anticipated and you have taken no action, this system will apply the brakes to help reduce the severity of the possible impact.

### BLIND SPOT MONITOR AND REVERSE TRAFFIC DETECTION

Blind Spot Monitor alerts you to vehicles in, or quickly approaching, your blind spot through a small warning light in the corresponding door mirror. Reverse Traffic Detection warns you of hazards, approaching from either side of your vehicle, through both audible and visual warnings so you know what's behind you even when the view is obstructed.

## PARKING AIDS

### PARK ASSIST

Our Park Assist system makes parallel and perpendicular parking easier than ever by automatically steering your vehicle into a suitable space. You just have to select the appropriate gear and control the vehicle's speed with the brake and accelerator pedals. Graphics and notifications guide you through the manoeuvres. Park Assist can also steer you out of a parallel parking space, taking all of the stress out of parking.

### REAR CAMERA

To make parking in tight spots simpler, static lines to represent the vehicles outer perimeter and predicted path are superimposed on the rearward image displayed on your Touchscreen.

### 360° SURROUND CAMERA

Using four digital cameras discreetly placed around the vehicle, the system provides an almost complete 360° view including a bird's-eye overhead view via the Touchscreen. This helps with various manoeuvres from parking by a kerb, to getting in and out of tight spaces and junctions.

### HOMELINK®

The HomeLink® System is a universal transmitter fitted to the underside of the interior rear view mirror. This transmitter can be programmed to operate up to three home or office wireless controlled systems, such as garage doors, automatic gates, or security lighting. By replacing the individual remote control units normally required for each system, the driver no longer needs to search the car interior for the correct handset when needed.

## COMFORT FOR ALL

### SEATING

Heated front seats are available on Pure, SE, SE Tech, HSE and Landmark Edition and, for added comfort, vehicles can also be specified with optional heated second row seats\*.

For the ultimate comfort whatever the temperature, heated and cooled front seats are available on SE, SE Tech, HSE and Landmark Edition – fitted as standard on HSE Luxury and HSE Dynamic Lux. This feature provides ventilation through perforations in the perforated grained leather and perforated Windsor leather seats, dependent on model specification. The driver and passenger preferences can be independently controlled via the Touchscreen.

### CONFIGURABLE AMBIENT INTERIOR LIGHTING

New levels of ambient refinement and personalisation have been reached with the option of Configurable Ambient Interior Lighting\*.

This feature allows you to vary the colour and shade, changing the ambience of the cabin to suit your mood. There are five colours in total, ranging from Ice White through to Moonlight and Racing Red.

### PANORAMIC ROOF

The optional full glass fixed panoramic roof (standard on HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux) enhances the sense of space in the vehicle's interior and floods it with natural light as well as providing uninterrupted views of the surrounding environment.

Importantly, the toughened glass has a dark tint to maintain a comfortable temperature inside the cabin and protect occupants and the interior from the sun's rays. A full-sized, powered interior blind is also provided for those who may prefer a more private experience.

\*Standard on HSE Luxury and HSE Dynamic Lux models.  
Touchscreens shown are 10" Touch Pro.  
Interior shown right is HSE Luxury in Glacier/Lunar.

## REAR SEAT ENTERTAINMENT

The optional Rear Seat Entertainment features two 8" screens built into the front headrests, two pairs of WhiteFire® digital headphones, one USB port in the second row and a dedicated remote control. Available on HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux models, you can feel truly at home with your choice of film, television, music or games console.

## DIGITAL TV

Digital TV\* channels can be watched on the rear screens and new 10" high-resolution Touchscreen on HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux models, when Entertainment Pack with Rear Seat Entertainment is specified.

## 10" TOUCH PRO DUAL VIEW

The optional Dual View system allows the driver and passenger to view completely independent display content on the 10" Touchscreen. For example, the driver can use the satellite navigation system, while the front seat passenger is able to watch a DVD or TV, where fitted. One set of WhiteFire® digital wireless headphones is included. Available on HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux models.

## POWERED GESTURE TAILGATE

Powered gesture tailgate allows you to operate the tailgate (both to open and close) from outside the vehicle without needing to physically touch the vehicle or the smart key.

Provided that the smart key is detected, the tailgate may be operated by a kicking gesture underneath the rear of the vehicle.

Two sensors mounted on either side of the tailgate allow kerbside operation, rather than needing to be immediately behind the vehicle. And as the system is compatible with towing solutions, you can still open and close the tailgate with the least amount of fuss. Powered gesture tailgate is fitted as standard on SE Tech, HSE, Landmark Edition, HSE Luxury and HSE Dynamic Lux.

Additionally, a button located inside the tailgate or on the smart key allows the tailgate to be closed automatically with powered tailgate.

## USB CHARGING POINTS

Want to charge a games console, tablet or smartphone whilst you're on the move? Discovery Sport has the option of up to six USB charging ports throughout all rows, to make charging your devices effortlessly simple.

\*Whilst Land Rover continues to work closely with its partners to develop TV standards worldwide, we cannot guarantee the TV feature in all countries at all times.  
WhiteFire® is a registered trademark of Unwired Technology LLC and any use of such marks by Land Rover is under licence.  
Vehicle shown top right is Landmark Edition in Yulong White. Interior shown left and bottom right is HSE Luxury in Glacier/Lunar.

## ENGINES

# 9-SPEED AUTOMATIC TRANSMISSION

The lightweight, compact 9-speed Automatic Transmission provides optimum fuel economy and CO<sub>2</sub> emissions, as well as greater control in low-grip conditions or when towing through the specially designed, ultra-low first gear.

The transmission is specifically designed for transverse applications, and is one of the most efficient and technically advanced ever used in a production vehicle. Two patented dog clutches replace the bulkier conventional set-up, allowing small ratio steps to give better response during acceleration, plus improved shift quality, drive and refinement.

The higher top gear not only reduces fuel consumption but the lower engine revs improve comfort and reduce noise when cruising at a sustained speed. The 9-speed Automatic Transmission is extremely robust and perfectly complements Land Rover's rugged all-terrain ability whilst delivering exceptionally high levels of refinement and efficiency.

Vehicle shown left is HSE Luxury in Scotia Grey.

## INGENIUM DIESEL ENGINES

Land Rover's commitment to sustainability is manifest in its current range of vehicles, utilising a wide range of innovative and efficient technologies including intelligent Stop/Start and Brake Energy Regeneration. Discovery Sport's latest engine range is just the latest testament of innovation to provide further efficiency whilst not compromising on capability.

The FWD Ingenium 2.0 litre eD4 150hp Diesel engine produces 380Nm of torque and is optimised to deliver the best fuel economy in the range.

ACCELERATION

112

## TD4 150HP/180HP

Optimised for high efficiency, the Ingenium 2.0 litre 4-cylinder 150/180hp Turbocharged Diesel engine produces 380/430Nm of torque.

- High-pressure common rail direct fuel injection, exhaust variable cam timing and a high-efficiency water-cooled intercooler work in combination for a clean, efficient combustion.
- Intelligent, electronically controlled, adaptive engine cooling only engages when required – minimising fuel consumption and CO<sub>2</sub> emissions.
- The engine features a variable geometry turbocharger that adapts to the changing flow of exhaust gases for high torque throughout the rev range and responsiveness that is uniform, progressive and reduces lag.

## SD4 240HP

The Ingenium 2.0 litre Twin Turbocharged Diesel, producing 240hp and 500Nm of torque, improves upon performance whilst maintaining impressive fuel economy.

- Series sequential twin turbochargers deliver an ideal combination of peak power performance and superior low speed driveability.
- Upgrades include a higher pressure common rail fuel system, increased from 1,800 to 2,200 bar, and an increased fuel injector flow rate. These combine to deliver optimised fuel economy, emissions and power delivery.
- The result is an engine that pushes performance boundaries of a four cylinder with the strong fuel economy inherent in the Ingenium range.

	ACCELERATION 0-60 MPH (SECONDS) 5 / 5 + 2 SEATS	TOP SPEED (MPH)
2.0L TD4 Diesel 150hp (Manual)	10.2	112
2.0L TD4 Diesel 180hp (Manual)	9.4 / 9.8	117
2.0L TD4 Diesel 180hp (Automatic)	8.9 / 9.2	117
2.0L SD4 Diesel 240hp (Automatic)	6.9 / 7.2	127

## INGENIUM PETROL ENGINES

### Si4 240HP

The Ingenium 2.0 litre 4-cylinder 240hp Turbocharged Petrol engine produces 340Nm of torque, which helps to deliver outstanding driveability.

- The intelligent Continuously Variable Valve Lift (CVVL) system varies the extent to which inlet valves are opened, reducing engine-pumping losses. This lets the engine 'breathe' with maximum efficiency, optimising power and torque.
- CVVL works in combination with dual independent variable cam timing for ultimate operating flexibility, resulting in excellent power and fuel economy across the rev range.
- For excellent acceleration and effortless overtaking, maximum torque is available at 1,250rpm.
- The twin scroll turbocharger is fed by an integrated exhaust manifold which increases the transfer of energy to the turbine – significantly reducing turbo lag and improving engine response.

### Si4 290HP

The high performance Ingenium 290hp 2.0 litre 4-cylinder Turbocharged Petrol engine features upgrades to the boosting system.

- Delivering a peak torque of 400Nm at 1,500rpm.
- The uprated turbocharger features a high flow compressor wheel delivering 26 percent more air, enabling a peak power output of 290hp.
- The twin-scroll turbocharger features ceramic ball-bearings which reduces friction and improves transient response.

	ACCELERATION 0-60MPH (SECONDS) 5 SEATS / 5 + 2 SEATS	TOP SPEED (MPH) 5 SEATS / 5 + 2 SEATS
2.0L Si4 Petrol 240hp (Automatic)	6.9 / 7.2	124 / 124
2.0L Si4 Petrol 290hp (Automatic)	6.4 / 6.6	142 / 135

## BODY AND CHASSIS

# STRENGTH AND STABILITY

### BODY

Discovery Sport features an extremely strong, lightweight body structure which has been developed using advanced, weight-saving materials to deliver outstanding stiffness and refinement together with exemplary characteristics in collision situations.

The structure is based on a steel monocoque foundation which is derived from Land Rover's compact SUV platform.

Lightweight technologies are used extensively in the body design including:

- Optimised steel body construction
- Aluminium bonnet, roof and tailgate panels
- Lightweight aluminium suspension components
- Magnesium cross car beam and front end carrier.

### CHASSIS AND VEHICLE DYNAMICS

Discovery Sport has a chassis which has been specially developed by Land Rover engineers to deliver agile and refined on-road dynamics along with the brand's legendary all-terrain capability. Lightweight aluminium chassis components are used extensively to improve suspension performance by increasing stiffness and reducing unsprung weight, while also reducing total vehicle weight.

The chassis features a number of innovations, such as Electric Power Assisted Steering (EPAS), which help the vehicle achieve its unique dynamic character and improved efficiency.

### FRONT SUSPENSION

Aluminium components are used within the front suspension. The front suspension struts have advanced hydraulic rebound stops which help to manage the noise and loads caused by severe impacts such as speed humps, to maintain composure in urban and off-road environments.

### COMPACT REAR SUSPENSION DESIGN

Discovery Sport has a fully independent suspension system with an advanced multi-link rear suspension design. This delivers enhanced dynamics and refinement together with a compact layout to provide increased interior space.

The system has been specifically developed to enhance Discovery Sport's unrivalled breadth of capability, offering responsive and agile handling together with supreme ride quality and refinement. Excellent wheel travel and articulation helps the vehicle achieve class-leading off-road performance.

The compact aluminium multi-link layout also creates a much more spacious rear compartment, with enhanced shoulder and elbow room, enabling 5 + 2 seating\* and increased luggage space.

Mounted on an optimised steel subframe, the system is light and stiff for optimum steering response, chassis performance and refinement.

## SAFETY

### 5\* EURO NCAP RATING

As with every Land Rover, safety was a key priority in the development of Discovery Sport, resulting in a first-in-class pedestrian airbag, **Autonomous Emergency Braking**, and a state-of-the-art bodyshell featuring both ultra high-strength steel and lightweight aluminium. Discovery Sport has been awarded the maximum five star safety rating from Euro NCAP\*. In all variants, including 5 + 2 seat models, all seating positions are assessed to ensure a high standard of occupant protection. Discovery Sport also has a comprehensive occupant safety package including driver and passenger airbags, driver knee airbag, and side curtain and thorax airbags.

#### PEDESTRIAN PROTECTION SYSTEM

Discovery Sport features a state-of-the-art pedestrian airbag system. Designed and tested to the most rigorous standards including advanced virtual and real-world situations, it protects pedestrians from impact with the base of the windscreen by using an airbag mounted within a cover found at the trailing edge of the bonnet panel.

#### PASSENGER SEAT BELT CHECK SYSTEM

#### PRESSURE SENSORS

The system uses advanced pressure-tube sensors, located in the bumper, to detect impact.

#### ENHANCED PROTECTION

The shape of the deployed airbag offers enhanced protection to a pedestrian in the event of an impact.

#### DRIVER VISIBILITY

The airbag deployment has been designed to ensure that the effect on the driver's vision is minimised.

## SAFETY SYSTEMS

- 1** PRESSURE SENSOR
- 2** PEDESTRIAN AIRBAGS

- 3** DRIVER AIRBAG
- 4** PASSENGER AIRBAG
- 5** DRIVER KNEE AIRBAG

- 6** SIDE CURTAIN AIRBAGS
- 7** SIDE THORAX AIRBAGS
- 8** AIRBAG DEACTIVATION SWITCH FOR FRONT PASSENGER

- 9** SEAT BELT REMINDER
- 10** SEAT BELT PRETENSIONERS
- 11** ISOFIX POINTS

Vehicle shown above is a left hand drive model from the Land Rover Global range. The positioning of safety systems inside the vehicle will vary by market. Please contact your nearest Land Rover Retailer for more information.

## ENVIRONMENTAL

# SUSTAINABILITY

Sustainability is at the heart of everything we do and consequently all powertrains on Discovery Sport have been optimised to enhance sustainability by minimising fuel consumption and CO<sub>2</sub> emissions.

Both petrol and diesel engines feature the latest high-pressure direct injection technology and state-of-the-art low-friction designs which have been carefully developed to minimise frictional losses. While both 6-speed Manual and 9-speed Automatic Transmissions are specified with the latest low viscosity transmission fluid to maximise efficiency.

An advanced intelligent Stop/Start system is standard on both manual and automatic models which automatically shuts down the engine in just 300 milliseconds when the vehicle comes to rest. This improves fuel economy and CO<sub>2</sub> emissions by between five and seven percent.

A smart regenerative charging electrical system has also been introduced which has an intelligent power management system to prioritise charging when the vehicle is decelerating, capturing the wasted kinetic energy and reducing the fuel demand of the electrical system.

With up to 13.8kg of recycled plastic on Discovery Sport's diesel engines and 16kg on the Si4 petrol engine, as well as up to 22.3kg of renewable and natural materials in each vehicle, we are taking big steps in reducing our environmental footprint.

## ECO MODE

This standard feature when activated prioritises the most efficient vehicle settings including automatic transmission<sup>1</sup>, **Active Driveline**<sup>2</sup> and comfort features like heating and air conditioning in order to minimise fuel consumption and CO<sub>2</sub> emissions.

The ECO Data feature provides drivers with information and feedback via the Touchscreen to help them adopt more economical driving habits.

## OPTIMISED AERODYNAMICS

With its more streamlined profile, Discovery Sport is one of the most aerodynamic Land Rover vehicles. A unique 18" alloy wheel<sup>3</sup> is available for optimised aerodynamics.

## LIGHTWEIGHT MATERIALS

To optimise vehicle performance and efficiency, Discovery Sport has been developed using lightweight materials and technologies. The vehicle has been designed with key weight saving technologies including an optimised steel body construction, aluminium bonnet, roof and tailgate panels, lightweight aluminium suspension components and a magnesium cross car beam and front end carrier.

The All Wheel Drive (AWD) components have also been optimised for weight. The interior has also been designed with efficiency in mind, with optimised seat structures which use laser-welded high tensile steel.

## LIFE CYCLE ASSESSMENT

In order to minimise the vehicle's overall ecological impact, Discovery Sport is designed with a life cycle approach, aiming to minimise the environmental impact by considering the entire life cycle of the vehicle: from development and manufacturing, through customer use, to end-of-life recycling and re-use. Each element of the life cycle was analysed with a view to consuming fewer natural resources, using more sustainable materials and minimising the generation of waste.

<sup>1</sup>Where fitted. <sup>2</sup>Fitted as standard on the SD4 240hp engine.  
<sup>3</sup>Only available with eD4 150hp engine.

DISCOVERY SPORT OFFERS YOU  
GREAT OPTIONS AND FLEXIBILITY  
TO PERSONALISE YOUR VEHICLE.

The following pages take you through a logical series of steps to make your vehicle suit your lifestyle. There are several choices: from selecting your engine and model to exterior and interior colours, wheels, finishes and those detailed touches to enable you to personalise your vehicle.

If you'd like to bring your options to life, go to our online configurator at [landrover.co.uk](http://landrover.co.uk)

## DRIVELINE, ENGINE PERFORMANCE AND FUEL ECONOMY

The superbly engineered range of petrol and diesel engines on offer are paired with a state-of-the-art 9-speed Automatic Transmission or a 6-speed Manual Transmission. When you choose a Front Wheel Drive (FWD) manual diesel engine, CO<sub>2</sub> can be as low as 149g/km, ensuring your vehicle is as efficient as possible.

<sup>1</sup>The figures provided are NEDCeq calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO<sub>2</sub> and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDCeq are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test. The correct tax treatment can then be applied. <sup>2</sup>The figures provided are WLTP. WLTP is the new official EU test used to calculate standardised fuel consumption and CO<sub>2</sub> figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile. TEL (Test Energy Low) and TEH (Test Energy High) figures are shown as a range under WLTP testing measures. TEL refers to the lowest/most economical figures (with the lightest set of options). TEH refers to the highest/least economical figures (with the heaviest set of options). WLTP legislation dictates that where there is <5g CO<sub>2</sub> variance between TEL and TEH, only the TEH is declared.

## EACH MODEL HAS A CHOICE OF ENGINES AND UNIQUE FEATURES

This guide will help you to select your ideal Discovery Sport. On the following pages you'll see the key standard features for each model.

### DISCOVERY SPORT PURE<sup>1</sup>

- Brunel grille with Narvik Black surround
- Brunel fender vents
- Body-coloured door handles
- Narvik Black mirror caps
- Brunel Discovery script (bonnet and tailgate)
- Anthracite tow eye covers
- Narvik Black tailgate finisher

- Halogen headlights
- Heated front windscreen
- 18" 5 split-spoke 'Style 518' alloy wheels
- Leather steering wheel
- Partial leather seats
- 6-way manual front seats
- Autonomous Emergency Braking (AEB)

- Rear Parking Aid
- Cruise Control and Speed Limiter
- Lane Departure Warning
- Heated door mirrors
- Land Rover Enhanced Sound System
- Two-zone Climate Control
- Illuminated vanity mirrors
- Loadspace cover
- Ambient Interior Lighting.

## DISCOVERY SPORT SE<sup>2</sup>

### Contents of Pure, plus:

- Heated front seats
- Centre console with armrest.

### Replaces Pure content:

- Dark Atlas grille with Narvik Black surround
- Dark Atlas fender vents
- Body-coloured mirror caps
- Dark Techno Silver tow eye covers
- 18" 5 split-spoke 'Style 511' alloy wheels
- Power fold, heated door mirrors with approach lights.

## DISCOVERY SPORT SE TECH<sup>3</sup>

### Contents of SE, plus:

- Automatic headlights and rain sensing wipers
- Front Parking Aid
- Front fog lights
- Navigation
- Keyless Entry
- Powered gesture tailgate.

## DISCOVERY SPORT HSE

### Contents of SE Tech, plus:

- Auto High Beam Assist (AHBA)
- Two-zone Climate Control with second row vents
- Cabin Air Quality Sensor
- Rear View Camera
- Auto dimming interior view mirror.

### Replaces SE Tech content:

- Atlas fender vents and grille with Narvik Black surround
- White Silver tow eye covers
- Xenon headlights with LED signature
- 19" 5 split-spoke 'Style 521' alloy wheels<sup>1</sup>
- Perforated grained leather seats
- 10-way electric front seats
- Meridian™ Sound System.

## DISCOVERY SPORT HSE LUXURY

### Contents of HSE, plus:

- Park Assist
- Traffic Sign Recognition
- Configurable Ambient Interior Lighting
- Two USB ports in second row with charging
- Illuminated aluminium front treadplates with Discovery script
- InControl Apps.

### Replaces HSE content:

- Noble Plated upper and lower door handles
- Atlas fog light surrounds, tailgate finisher and Discovery script (bonnet and tailgate)
- 20" 5 split-spoke 'Style 511' alloy wheels
- Heated and cooled front seats with heated rear seats
- Heated steering wheel
- Perforated Windsor leather seats
- 12-way electric front seats with memory
- Auto-dimming, power fold heated door mirrors with memory and approach lights.

## DISCOVERY SPORT HSE DYNAMIC LUX<sup>2</sup>

### Replaces HSE Luxury content:

- Re-styled body-coloured front and rear bumpers and side mouldings
- Black contrast roof
- Privacy glass
- 20" 5 split-spoke 'Style 511' alloy wheels with Gloss Black finish
- Mesh grille and surround in Narvik Black
- Fender vents in Narvik Black
- Mirror caps in Narvik Black
- Discovery script on bonnet and tailgate in Narvik Black
- Tailgate finisher and tow eye covers in Narvik Black
- Red SPORT badge
- Contrast piping interior detail
- Silver aluminium sports pedals.

<sup>2</sup>2.0L Si4 290hp Petrol engine will incorporate an enhanced Dynamic front bumper. Front fog lights not available. Contrast roof available as an option. To view the full list of standard and optional features available on each Discovery Sport derivative please see the accompanying Specification and Price Guide or visit [landrover.co.uk](http://landrover.co.uk)

## LANDMARK EDITION

With a striking combination of exterior and interior features, Discovery Sport Landmark Edition has a bold, dynamic presence.

The distinctive design of the front bumper with Graphite Atlas grille and side vents is further enhanced by Graphite Atlas Discovery script and 19" 'Style 521' wheels in Gloss Dark Grey. The Landmark Edition is available in a choice of three exterior colours – Yulong White, Corris Grey and Narvik Black – uniquely combined with a Carpathian Grey contrast panoramic roof and privacy glass.

A stylish interior features Dark Grey Brushed Aluminium centre stack finishers, Ebony grained leather seats and Ebony headliner. The driving experience is enhanced by a range of technologies including Navigation and Front Parking Aid.

Dynamic style front bumper with Graphite Atlas Discovery script

19" 'Style 521' Gloss Dark Grey alloy wheels

Unique Carpathian Grey contrast roof with panoramic roof

Dark Grey Brushed Aluminium centre stack rails

## PERSONALISING THE EXTERIOR

In addition to the standard finishes on Discovery Sport, you can tailor the exterior to suit your personal taste.

### HSE DYNAMIC LUX

The Dynamic Design Pack takes the vehicle's arresting looks to greater heights. Its striking presence is enhanced by a range of design features including 20" alloy wheels and Chrome exhaust finishers<sup>1</sup> that truly set it apart.

- Narvik Black mesh grille and fender vents
- Narvik Black mirror caps
- Narvik Black fog light surround<sup>2</sup>
- Narvik Black Discovery script (bonnet and tailgate)
- Chrome exhaust finishers<sup>1</sup>

- 20" 5 split spoke 'Style 511' alloy wheels
- Dark Grey or Carmine Red Brushed Aluminium centre stack side rails<sup>3</sup>.

## BLACK DESIGN PACK

The Black Design Pack gives the overall design of the vehicle a more assertive appearance, with exterior elements changed to Narvik Black and distinctive Gloss Black alloy wheels.

- Narvik Black grille and surround
- Narvik Black fender vents
- Narvik Black mirror caps
- Narvik Black Discovery script (bonnet and tailgate)

- Black contrast roof
- 20" 5 split-spoke 'Style 511' alloy wheels with Gloss Black finish on HSE and HSE Luxury
- 19" 5 split-spoke 'Style 521' alloy wheels with Gloss Black finish on SE and SE Tech.

Now you have chosen your Discovery Sport model, you can select your exterior paint colour. From rich, deep lustres to incandescent metallic patinas, our paints incorporate the latest in pigment technologies. Our solid paints produce a deep flat colour. Our metallics deliver a sparkle finish that is sure to catch the eye. And our premium metallic paints enhance both the colour and the intensity of the sparkle or sleek metallic finish to give your vehicle even more presence.

## CHOOSE YOUR INTERIOR – SEAT CONFIGURATION

### **60:40 Second Row Seats with Slide and Recline**

Fitted as standard, these seats have forwards/backwards movement of 160mm allowing truly flexible use of space for luggage or to maximise passenger legroom. The seats can also recline to provide even greater comfort.

#### 5 + 2 Seating

A neatly integrated third row of seats come as standard with TD4 180hp, SD4 240hp and both Si4 engines to give you even more versatility. These seats are ideal for children and teenagers, or adults on short journeys.

They are easily accessed by tipping and sliding forward the second row seats. When folded, the third row seats leave a flat floor in the luggage compartment as if it were a five-seat model.

## LAND ROVER GEAR – ACCESSORIES

Discovery Sport is so capable and adaptable it can get straight to work across a huge variety of vastly differing conditions and roles. Even so, some owners want to add their own stamp of individuality by tailoring their Discovery Sport to their specific needs with a range of stylish, practical accessories that are tough, versatile and bring an opportunity for personalisation.

Importantly, these accessories can be added by your Land Rover Retailer at any stage during the vehicle's life – not just when it's new. Naturally, Land Rover Approved Accessories are designed, tested and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

## DESIGN

**Bright Side Tubes<sup>1</sup>**  
VPLCP0209

Highly polished stainless steel side tubes provide an off-road inspired appearance, designed to complement the vehicle's exterior design.

**Stainless Steel Undershield – Front<sup>2</sup>**  
VPLCP0212

The off-road designed undershield, manufactured from stainless steel, features a premium Bright Polished finish for the front of the vehicle.

**Stainless Steel Undershield – Rear<sup>2,3</sup>**  
VPLCP0213

The off-road designed undershield, manufactured from stainless steel, features a premium Bright Polished finish for the rear of the vehicle.

**Loadspace Organiser Tray**  
VPLCS0340

Convenient loadspace organiser provides segregated compartments to stow delicate items or separate shopping/luggage. Featuring lockable lids, it is secured via loadspace 'D' loops.

**Sill Treadplates – Illuminated**  
VPLCS0286LAA – Lunar  
VPLCS0286PVJ – Ebony (not shown)

Sill treadplates featuring illuminated Discovery script. Supplied as a pair for driver and front passenger sides of the vehicle.

**Sill Treadplates – Personalised**  
VPLCS0343PVJ – Ebony  
VPLCS0343LAA – Lunar (not shown)

Personalised illuminated treadplates allow you to choose a personalised message using an approved set of fonts/typefaces which will be highlighted in White illumination when the front doors are open. Available as front pair only.

<sup>1</sup>Fitting of side tubes may affect the off-road capability of vehicle. <sup>2</sup>Not available with Dynamic Design Pack.  
<sup>3</sup>Not compatible with vehicles equipped with 5 + 2 seating, reduced section spare wheel and towing systems.

## TOURING

**Sunshades**  
VPLCS0298 – Second row  
VPLCS0297 – Third row  
VPLCS0296 – Rear Tailgate

Easy to install or remove, these sun blinds provide increased comfort helping to protect passengers from heat and glare of the sun. Three versions available for the second row, third row passenger side windows and the rear tailgate.

**Roof Rails<sup>1</sup>**  
VPLCR0137 – Silver finish (panoramic roof)  
VPLCR0133 – Silver finish (fixed roof)<sup>2</sup>  
VPLCR0136 – Black finish (panoramic roof)  
VPLCR0132 – Black finish (fixed roof)<sup>2</sup>  
**Cross Bars<sup>1</sup>**  
VPLCR0131  
Elegant, durable Bright finish aluminium cross bars, with T-track design which utilises the full length of the bars, providing space to mount multiple accessories. Aerodynamic profile minimises drag and wind noise.

Roof rails facilitate easy fitment of cross bars for roof carrying. Pre-set positioning points ensure cross bars are fixed in optimum position for weight distribution and dynamics. Maximum payload is 75kg<sup>3</sup>.

**Roof Box<sup>1</sup>**  
VPLWR0100 – Large Sports Roof Box  
VPLVR0061 – Sports Roof Box (not shown)  
VPLVR0062 – Luggage Roof Box (not shown)  
Available in a range of sizes, all versions can be mounted either side for kerbside opening in any country and include integral locks for security and peace of mind. Carrying capacity ranges from 320 litres for the sports box to the 410 litre luggage box or the capacious 430 litre large sports box. Maximum payload 75kg<sup>3</sup>.

**Loadspace Rails**  
VPLCS0349  
**Luggage Retention Kit**  
VPLCS0324

Loadspace mounted rails to help increase the flexibility of loadspace stowage, also allowing the fitment of the luggage retention kit stowage system. The loadspace retention kit consists of a pack of attachments that fix into the loadspace rails via a quick lock/quick release system to help provide a comprehensive and flexible solution for retaining luggage and other items within the loadspace. The attachment pack includes a retractable strap with inertia reel and telescopic rod.

**Seat Back Stowage**  
VPLVS0182 – Premium leather  
VPLVS0181 – Standard (not shown)  
Manufactured from the same premium leather offered on the vehicle, complemented with soft touch interior lining and magnetic button clasps. Provides a convenient stowage solution for the rear of the front seats with multiple compartments for stowing small items.

**Click and Go Accessory System**  
VPLRS0388  
The Click and Go range is a multi-purpose seat back system for second row passengers. The versatile Click and Go Base fixes between the headrest mountings and further attachments can be added to hold tablets, bags and shirts or jackets. Each attachment is sold separately. The base can be easily removed when not in use. Image shown is Click and Hang (VPLRS0390).

## SPORTING

Loadspace Liner Tray  
VPLCS0274

VPLCS0268 – With luggage divider (not shown)

Semi-rigid waterproof loadspace liner tray with a raised lip on three sides to protect loadspace floor and side wall carpets from dirt or wet equipment.

Aperture Retention Net  
VPLCS0267

The aperture retention net prevents small items from falling out of the loadspace when the tailgate is opened and maximises packing space. Manufactured from premium lightweight materials including high grade machined aluminium to ensure robust quality.

Rear Loadspace Treadplate Finisher  
VPLCS0287LAA – Lunar

VPLCS0287PVJ – Ebony (not shown)

Manufactured from stainless steel with a Bright finish, the rear loadspace treadplate finisher provides protection for the loadspace trim when loading or unloading.

Tow Bar Mounted Bike Carrier  
VPLVR0066 – Two Bike Carrier<sup>4</sup>

VPLVR0068 – Three Bike Carrier<sup>4</sup>  
(not shown)

The tow bar mounted bike carrier features a one hand, quick attach/release tow bar coupling mechanism and can be tilted away from the vehicle, by use of a foot pedal, to allow easy access into the rear tailgate. The tailgate can be opened with carrier in deployed/folded position. Manufactured from aluminium and other lightweight materials, the bike carrier also features a rear lighting and licence plate mount and it is lockable for security. The carrier has a folding/sliding mechanism to allow ease of stowage when not in use. A holder and ratchet function ensure bicycles are safely secured. Maximum load capacity 51kg (on the three bike carrier).

Towing System –  
Detachable Tow Bar<sup>5</sup>  
VPLCT0147 / VPLCT0148  
Towing Electrics – 13 Pin<sup>6</sup>  
VPLCT0182

Convenient and easy to use, the detachable tow bar ensures a clean look when not in use. Please contact your nearest Land Rover Retailer for feature and vehicle availability.

Towing System –  
Fixed Height Flanged Tow Bar<sup>5</sup>  
VPLCT0140 / VPLCT0142  
Towing Electrics – 13 Pin<sup>6</sup>  
VPLCT0182

Waterproof Seat Covers  
VPLCS0291SVA – Front (Almond)  
VPLCS0292SVA / VPLCS0293SVA –  
Second row / third row  
(Almond – not shown)

Helps protect seats from mud, dirt, wear and tear. Easily fitted and machine washable.

VPLCS0291PVJ – Front (Ebony)  
VPLCS0292PVJ / VPLCS0293PVJ –  
Second row / third row  
(Ebony – not shown)

<sup>4</sup>Heat shield is required for two and three tow bar mounted bike carrier – VPLWR0124. <sup>5</sup>Maximum towing capacity 2,500kg and 2,200kg for 5 + 2 seating (capacity dependent upon engine, powertrain variant and seating). <sup>6</sup>Towing electrics must be ordered with part shown, please consult your Land Rover Retailer for further information.

## OUTDOOR

**Pet Pack with Mat**  
Luggage Partition – Full Height  
VPLCS0299

Combines the loadspace rubber mat with the full height partition, to protect both your vehicle and your pet. The rubber mat is waterproof, protecting the vehicle's loadspace floor carpet. The full height partition prevents access to the passenger compartment, while safely containing and protecting your pet.

**Loadspace Mat – Rubber<sup>1</sup>**  
VPLCS0279

**Luggage Partition – Half Height**  
VPLCS0300

Designed to prevent luggage from entering the passenger compartment. The design of the luggage partition has been optimised to second row seating featuring tilt functionality.

**Loadspace Mat – Rubber**  
VPLCS0279

Waterproof rubber mat helps to protect the rear loadspace carpet from general dirt. Rubber mat extension for protection of the back of the rear seats when folded down also available – Part No: VPLCS0273.

**Fixed Side Steps<sup>2</sup>**  
VPLCP0210

The side step aids entry and exit to the vehicle and improves access to the roof. Design features include Bright stainless steel edge trim and a rubber tread mat.

**Mudflaps**  
VPLCP0203 – Front  
VPLCP0204 – Rear  
VPLCP0277 – Rear with 5 + 2 seating<sup>3</sup>

Mudflaps are a popular upgrade for reducing spray and ensuring paintwork is protected from debris and dirt. Designed to complement vehicle exterior design.

**Mudflaps – Dynamic only**  
VPLCP0311 – Front  
VPLCP0312 – Rear  
VPLCP0313 – Rear with 5 + 2 seating<sup>3</sup>

**Rubber Floor Mats**  
VPLCS0278  
VPLCS0280 – Third row (not shown)

Rubber footwell mats help provide protection from general dirt.

<sup>1</sup>Pet pack can be fitted with either loadspace mat – rubber (VPLCS0279) or loadspace liner tray (VPLCS0274).

<sup>2</sup>Fitting of side steps may affect the off-road capability of vehicle. <sup>3</sup>Offered for vehicles equipped with reduced section spare wheel.

## OTHER

**Mirror Covers – Noble**  
VPLCB0251

Noble Chrome plated mirror covers designed to enhance Discovery Sport's exterior design cues. This neat design upgrade complements various Bright finish exterior trims.

**Wind Deflectors – Side Windows**  
VPLCP0258

Wind deflectors for side windows to help to improve comfort levels in the cabin when driving with windows open, by reducing air turbulence and noise and allowing fresh air to be circulated in the cabin.

**Pedestrian Airbag System**  
LR067898 – Gloss Black

A Gloss Black finish to the pedestrian airbag system is designed to enhance Discovery Sport's exterior design cues. This striking design upgrade complements various exterior trims and paint colours.

**Luxury Carpet Mat Set**  
VPLCS0283LAA – Lunar  
VPLCS0283PVJ – Ebony (not shown)

Luxurious, tailored, deep pile 2,050g/m<sup>2</sup> carpet mat set, with waterproof backing, provides a well appointed finishing touch to the interior.

**Gearshift Paddles**  
VPLVS0187MMU – Aluminium  
VPLVS0187CAY – Aluminium Red

Complete the look and feel of your steering wheel with premium aluminium paddles. Gearshift paddles are machine polished, anodised and hand brushed to provide exceptional wear resistance with a premium finish.

**Sports Pedal Covers**  
VPLHS0044 – Automatic Transmission vehicles  
VPLVS0177 – Sport Footrest (Automatic Transmission vehicles)  
VPLHS0045 – Manual Transmission vehicles (not shown)

Stainless steel Bright finish sports pedal covers are easy to fit and feature hidden fixings for a clean finish.

## DIMENSIONS AND CAPABILITIES

### Standard Ride Height

With roof antenna 1,724mm

### Headroom

Maximum front headroom with panoramic roof 1,021mm  
Rear headroom 984mm

### Loadspace Capacity

Rear seats upright  
Height 778mm, Width 1,318mm  
Maximum loadspace volume 981 litres  
Loadspace width between arches 1,108mm  
Maximum length at floor 985mm  
Rear seats folded  
Length behind first row 1,887mm  
Length behind second row 985mm  
Height 778mm, Width 1,318mm  
Maximum loadspace volume 1,698 litres  
Loadspace width between arches 1,108mm  
Maximum length at floor 1,887mm

### Obstacle Clearance

Standard ride height 211mm

### Turning Circle

Kerb-to-kerb 11.67m  
Wall-to-wall 11.86m  
Turns lock-to-lock 2.36

### Wading Depth

Maximum wading depth 600mm

# WORLD OF LAND ROVER

Your Land Rover has been designed and engineered to help you make more of your world. It can take you to places other vehicles simply can't reach in a style that cannot be matched. To celebrate the Land Rover lifestyle, we've put together a range of experiences, publications and Land Rover branded goods. There's a world to explore. Get out there and enjoy it.

## ADVENTURE DRIVES

From the sheer exhilaration of the Arctic ice to the awe-inspiring dunes of Namibia, Land Rover Adventure Drives offer you once-in-a-lifetime experiences that bring the spirit and emotion of our vehicles to life.

Search 'Land Rover Adventure Travel' for full details.

## EXPERIENCE DRIVES

Get behind the wheel of the latest Land Rovers under the expert guidance of our qualified instructors. From Taster Drives to advanced Full Day experiences, there's a wide range available at one of the expanding network of Experience Centres across the world.

Search 'Land Rover Experience' for full details.

## MANUFACTURING TOURS

These behind-the-scenes tours are a unique opportunity to step inside our state-of-the-art manufacturing facilities where the latest Land Rovers are born. This combination of unrivalled craftsmanship and cutting-edge robotics can be seen at either Halewood or Solihull.

Search 'Land Rover Behind the Scenes' for full details.

## BRAND PARTNERSHIPS

Integrity, courage, pride, composure and capability; these are the values Land Rover shares with its partners. Whether the International Federation of Red Cross and Red Crescent Societies (IFRC), Rugby World Cup 2019™ or Virgin Galactic, each one is driven by exceptional people prepared to face extreme challenges and push their capabilities to the very limits.

Search 'Land Rover Partnerships' for full details.

## ONELIFE MAGAZINE

Free twice a year for your first three years as a Land Rover owner, this award-winning magazine features the best in photography, authoritative journalism and expert insights. Onelife takes you right into the heart of exclusive experiences and extraordinary adventures, whilst keeping you up to date with the latest innovations, design and lifestyle choices.

Search 'Land Rover Featured Articles' for full details.

## HUMANITARIAN PARTNERSHIPS

Since 1954, Land Rover have supported the International Federation of Red Cross and Red Crescent Societies in reaching 150 million people needing aid in 189 National Societies.

Search 'Land Rover Responsibility' for full details.

## LAND ROVER COLLECTION

Our latest range of clothing and luxury leather goods is crafted with the same design excellence and attention to detail as our vehicles. We also have a collection that honours Land Rover's unique heritage and features expedition-inspired gifts and apparel.

Search 'Land Rover Collection' for full details or visit your local Land Rover Retailer.

# YOUR PEACE OF MIND

## CUSTOMER SERVICE

When you bring your Land Rover to us, we use cutting-edge diagnostic equipment to assess all your vehicle's mechanical and electronic systems. Our qualified Technicians use tools specifically designed for our vehicles and only fit genuine Land Rover parts and Gear accessories.

**For further details contact your local Land Rover Retailer or search 'Land Rover Ownership'.**

## LAND ROVER ROADSIDE ASSISTANCE

Land Rover Assistance provides assistance in motoring emergencies, from immobilisation due to breakdown or accident to minor problems such as punctures. You can rely on our roadside assistance, whatever the situation, wherever you happen to be.

**For further details please consult your Warranty Benefits handbook, contact your nearest Land Rover Approved Service Centre or search 'Land Rover Roadside Assistance'.**

## LAND ROVER FINANCIAL SERVICES

Getting the keys to your very own Land Rover has never been so simple. And it's more affordable than you might think. New or used, for personal or business use, we have an option that puts you in complete control.

**For further details contact your local Land Rover Retailer or search 'Land Rover Finance'.**

## FLEET & BUSINESS

Land Rover is dedicated to being the premium manufacturer of choice for fleets and businesses, by providing a highly attractive range of vehicles and exemplary customer service. Distinctive, capable and versatile, all Land Rover vehicles deliver low Total Cost of Ownership through strong residual values, competitive service, maintenance and repair costs, and impressive fuel economy and CO<sub>2</sub> emissions.

We are also committed to providing a totally customer-focused aftersales service, which will ensure every Land Rover vehicle is kept on the road and in top condition, in the easiest and most cost-efficient way for businesses.

**Search 'Land Rover Fleet and Business' for full details.**

**IMPORTANT NOTICE:** Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications or availability, nor does it constitute an offer for the sale of any particular vehicle, part or accessory. Distributors and retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Retailer. Distributors and retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

Castrol EDGE Professional exclusively recommended by Land Rover.

Vehicle shown left, on the front and back cover is Landmark Edition in Yulong White.
