

MOKKA X

2018 Models Edition 2

IT'S YOUR LIFE, GO DRIVE IT.

'X' hints at everything that is exciting in the MOKKA X.

Xtra height, with that Xtra feelgood factor of driving high and mighty above the crowd.

Xtra traction, whether you're on the motorway, nipping around town or going off-road – it stays confidently on track.

Xtra muscle, with an intelligent four-wheel drive system that gives MOKKA X improved stability, traction and handling. Ideal when you're faced with the worst the Irish weather can throw at you.

And let's not forget all its Xtra clever technology. On the safety front there's LED Adaptive Forward Lighting, hill start assist, while inside you'll find a redesigned interior with touchscreen infotainment and OnStar* on both models.

So you can see, that whatever your lifestyle, MOKKA X is ready to bring something Xtra.

LIVE THE HIGH LIFE.

Underneath that rugged exterior, MOKKA X shows off plenty of sophistication. Here's a taste of the highlights – beginning with some clever headlights:

1. **LED Adaptive Forward Lighting** tailors the shape of your headlights' beam for up to nine different driving situations, giving you optimum visibility at all times. Be enlightened on page 13.
2. **OnStar** doesn't just give you Wi-Fi on the go, it's also a 24/7 onboard personal assistant with full GPS that can connect you with a real person in the event of an emergency, or even just give you directions if you're lost. More information on the services provided on pages 16-19.
3. **4X4 intelligent four-wheel drive** will automatically distribute the power between the front and rear wheels to optimise MOKKA X's traction in difficult conditions, giving even greater grip. Steer your way to page 10.
4. **Radio 4.0 IntelliLink or Navi 900 IntelliLink.** Stay informed and entertained with state-of-the-art infotainment systems, featuring large touchscreen interfaces that seamlessly integrate your digital devices using either Apple CarPlay™ or Android Auto™. Fast forward to page 21.
5. **Ergonomic seats**, specially certified by the AGR*, with extendable thigh support and an adjustable lumbar area to support you in all the right places and keep your back healthy. Just sit back and relax.
6. **Accessories.** From a FlexConnect tablet holder to a convenient Cargo Organiser, Opel have put together some clever accessories to make life on the road easier. To discover more head to pages 26-27.

*AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany.

TAKES TOWN AND COUNTRY TO A DIFFERENT CLASS.

MOKKA X brings premium design and practicality to the street smart SUV.

Nicely compact with a muscular shape, it not only looks and drives great in the city, but has the ride height and big alloy wheels to go off-road with confidence.

1. **Xtra all-round.** In every detail, MOKKA X shows off urban style with a rugged attitude.
2. **Ready for action.** Useful features like roof rails enhance MOKKA X's poised and sporty look.
3. **Let the outdoors in.** The big optional glass sunroof adds to the great sense of space inside.

FEELS GOOD INSIDE.

Step into the MOKKA X, and the first thing you'll notice is its premium quality and elegant minimalism.

Its airy, uncluttered cabin and facia give you a true sense of spaciousness, heightened by MOKKA X's elevated position that gives you a clear view of the road ahead.

Detailed refinement and quality continue throughout the cabin. Deeply contoured ergonomic seats*, smart technology and thoughtful features show off the careful design that has gone into the MOKKA X interior.

Storage space is also generous and clever, with improved arrangements that are even more useful.

Throughout the cabin, delicate curves complement the high-quality trim to highlight the cool, calm and comfortable feel of MOKKA X's interior. Welcome inside.

*Standard on Elite models only.

1. **Clarity and style.** The clean, uncluttered layout of the centre console with the integrated IntelliLink touchscreen display makes it easy to find key controls at a glance.
2. **Practical technology.** Complementing the IntelliLink touchscreen display, the driver display in the instrument cluster shows up trip computer functions loud and clear.
3. **Crafted with care.** Stylish facia stitching shows off the MOKKA X's quality in even the smallest of details.

IT GRIPS YOU.

Whether you're driving around tight city streets or up steep country lanes, MOKKA X is made for the challenge.

Combining brains with brawn, optional 4X4 intelligent four-wheel drive technology gives MOKKA X greater traction, stability and control using sensors to continuously monitor the car's grip.

As the road surface changes, the 4X4 system automatically distributes drive between the front and rear wheels to optimise road holding.

But the high-tech doesn't end there.

The hill start assist, which comes as standard, will stop you rolling back on steep hills by automatically releasing the brakes as you pull away, while with a descent control system you can take your MOKKA X 4X4 off-road and safely control your speed on steep downhill gradients without having to brake.

LIGHTS WITH BRIGHT IDEAS.

MOKKA X is one of the first SUVs to offer full LED Adaptive Forward Lighting (AFL)*. This literally brilliant LED technology automatically adjusts an array of LED beams to illuminate different hazards, depending on the kind of driving or manoeuvre you're performing.

Here's how it works. The AFL headlights on the MOKKA X feature six LED elements that light the road 30% brighter than standard halogen lights, giving you a better chance to see hazards sooner and giving you more time to react in an emergency. The AFL LED system uses data such as the MOKKA X's speed, steering angle and indicators to choose the best lighting pattern.

VX_MOK_25468

Energy saving mode. Switches off the cornering lights to save energy when the MOKKA X's Start/Stop mode is on.

VX_MOK_25470

Parking light. In reverse gear, this switches on the front cornering light on both sides of the car so it makes it easier for you to get in and out of parking spots.

VX_MOK_25472

Static cornering light (up to 40km/h). When you indicate and turn the steering wheel past a certain angle extra AFL LED lights come on to show what's around the corner.

VX_MOK_25474

Dynamic curve light (40 to 70km/h). Above a certain steering angle, extra cornering AFL LED lights give you an illuminated view around higher-speed curves.

VX_MOK_25469

High beam assist. This safety feature automatically dips your headlights when the AFL LED system detects other vehicles approaching.

VX_MOK_25471

Country light. Above 55km/h, a longer, broader, dazzle-free, low-beam light helps to illuminate any upcoming roadside hazards.

VX_MOK_25475

High beam. Powerful illumination on top of the LED low beam – gives you full-on lighting for maximum visibility at night and on low-lit roads.

VX_MOK_25473

Tourist mode.** If you're driving on the continent, to avoid dazzling oncoming traffic the headlights automatically angle slightly downwards.

*Optional at extra cost.

**When activated.

EFFICIENCY WHERE IT COUNTS.

You know what they say – power is nothing without control.

Which is why Opel developed intelligent 4X4 technology and new, fuel-efficient engines for the MOKKA X.

The MOKKA X delivers:

- A tough yet lightweight chassis for exceptional agility
- Impressive driving performance, both on and off-road
- Low-noise, high-power diesel technology
- Impressive engine technology for reduced emissions and lower fuel costs

Go on – just put MOKKA X to the test and we're sure you'll have nothing but a smile on your face.

For complete engine, fuel economy and emission data please plus availability of each engine by model, please refer to the Mokka X Price and Specification Guide available to download from www.opel.ie

- 1,3. A nice change.** Choose the convenient 6-speed automatic or a hands-on 5 or 6-speed manual for amazing response with powerful control.
- 2. No compromises here.** Our 1.4i petrol turbo is powerful for its relatively small size, giving great fuel economy without compromise on performance and muscle.

YOUR 24/7 PERSONAL CONNECTIVITY AND SERVICE ASSISTANT.

OnStar¹ is a premium service that makes you feel connected, safe and cared for, virtually everywhere in Europe and 24/7, 365 days a year: enjoy top-of-the-range features such as the 24-Hour Emergency Call Service, your own Personal Assistant and a fast in-car Wi-Fi Hotspot². Welcome to the service upper class.

¹ OnStar services require activation and an account with OnStar Europe Ltd., a GM company. All OnStar services and Wi-Fi services will cease to be available on 31 December 2020. No trial or paid subscriptions or services, including emergency response services, will be available after that date. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check www.opel.ie/onstar for details of availability, coverage and charges. Terms and conditions apply. Opel is not responsible for the provision of OnStar or Wi-Fi services. ² Wi-Fi Hotspot services require an account with OnStar Europe Ltd. and nominated network operator. Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability.

³ An OnStar advisor can help you to book a hotel room using Booking.com, subject to the Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you to make a booking and is not responsible for the services provided by Booking.com or the applicable hotel. E-mail address and credit card required.

CARED FOR

Who wouldn't want a personal assistant? At the touch of a button, you will be connected to an advisor who is at your service 24/7/365.

- **Hotel Booking^{1,3}**: plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.
- **Destination Download^{1,4}**: no more address typing! Our advisors assist you in finding an alternative route, a restaurant or a petrol station. They will remotely download the address onto your in-built navigation system, too.
- **Vehicle Diagnostics^{1,4}**: not sure what a sudden light in the dashboard means? Just ask the advisors to remotely check key systems in your car, in real time.
- **Parking Service^{1,5}**: never search for a parking space again! Via Parkopedia.com, OnStar finds and leads you to the next vacant parking spot. This way, you already know availability and parking fees before you get there.

⁴ Some elements of Smartphone App, Destination Download and Vehicle Diagnostics may not be available for all cars/trim levels. An embedded Opel navigation unit and map data are requirements for the Destination Download service. Check www.opel.ie/onstar for service limitations and charges. ⁵ Only available for car parks listed in Parkopedia.com. Availability applies only to the moment of contact with OnStar. ⁶ OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ⁷ OnStar will direct a professional breakdown recovery team to your location. If your car is within the Opel New Vehicle Roadside Assistance coverage period, OnStar will connect with the Opel Roadside Assistance service, who will send help free of charge, subject to the Opel Roadside Assistance terms and conditions. If your vehicle is outside the coverage of the Opel New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided.

SOS

SAFE

Better safe than sorry! OnStar's specially trained advisors are there for you anytime and anywhere.

- **Automatic Crash Response^{1,6}**: in case of a crash, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with passenger and key car information and can send them your exact location.
- **24-Hour Emergency Call Service¹**: you, a passenger or a passer-by are not feeling well? Push the red SOS Button and our advisors make sure to call for help right away.
- **Roadside Assistance^{1,7}**: if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send Roadside Assistance to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.
- **Stolen Vehicle Assistance¹**: in case your car gets stolen, OnStar blocks the ignition so the car can't be restarted again and provides the police with GPS data to help retrieve your car safely.

CONNECTED

In a connected world, so much is possible – and OnStar is making sure you are fully equipped.

- **Wi-Fi Hotspot^{1,2}**: a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to seven devices – thanks to the powerful OnStar roof antenna.
- **Remote Control^{1,4}**: if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the **myOpel Smartphone App**.
- **Car Locator^{1,4}**: forgot where you've parked? Pinpoint your car's location on the app. If you are close and still do not see it, just blink the headlamps or honk the horn to see where you've parked.

HOW CAN I GET ONSTAR?

OnStar is standard on both Mokka X SC and Elite models.

TO GET IT:

- 1 Request OnStar when you order your new Opel Mokka X.
- 2 OnStar will send you an e-mail invitation so you can activate your account.
- 3 Complete your registration online and set up your preferences.
- 4 OnStar is ready to go!

After the 12-month free trial period¹, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

You can purchase Wi-Fi Hotspot data packages separately from the nominated network provider by following the instructions on opel.ie/onstar/aftermytrial. Charges apply after the free trial period.

FIVE REASONS TO LOVE IT.

Like the look of MOKKA X?

Then you'll love to drive it.

Here's five reasons why:

- Large IntelliLink touchscreens with Apple CarPlay™ or Android Auto™, Siri, Google Now (Android) for voice command, phone calls, messaging, music, maps and calendar
- OnStar, your personal assistant with Wi-Fi, emergency and crash response, destination download, smartphone vehicle diagnostics app, stolen vehicle alert and roadside assistance call-out*
- The super-comfortable and spacious interior with advanced ergonomic design and widescreen views
- The safer, smarter drive you get with intelligent tech like LED Adaptive Forward Lighting and hill start assist
- The confident control of this compact SUV's full-on 4X4 drive and serious road grip

That's just five seriously great reasons. There's dozens more.

But don't just take our word for it.

Book yourself a test drive to see, feel and believe it for yourself.
