PEUGEOT

THE NEW PEUGEOT 5008 SUV

Peugeot has always respected the French tradition of high-quality manufacturing and creativity. More than ever, Peugeot is putting considerable effort into designing stylish vehicles which immerse the driver in a sensory world where their thrills are heightened beyond driving. Optimum ergonomics, enhanced connectivity, carefully selected materials: not a single detail is left unconsidered in our endeavour to offer a more intuitive driving experience.

CREATING A NEW DIMENSION

Welcome to a new age of SUVs. Svelte and sturdy, tasteful and technological – a world designed to heighten your sensory experience and extend your scope of actions. The perfect blend of a 7-seater SUV and a touring car's elegance and performance.

A DARING PROFILE

The modern shape of the new PEUGEOT 5008 SUV impresses at first sight. The athletic stance of its raised body outline, large, finely sculpted wheel rims, chrome lines, aluminium bars, and its Black Diamond roof* stylishly punctuate a generous build.

*On GT Line

THE ESCAPE ROUTE

Nimble and easy to handle, the new Peugeot 5008 SUV offers all the dynamic performance and acoustic comfort of a grand tourer.

The high-performance engines are connected to the latest-generation EAT6 automatic gearbox, electrically assisted steering and its considerably reduced weight produce exemplary road-holding and exhilarating driving pleasure.

FULL HIGH-TECH SAFETY

As standard, the new PEUGEOT 5008 SUV offers first-class safety features including a body structure optimised to absorb impact – up to six airbags, ABS and ESP. And to assist you to foresee the route, a multi-purpose camera at the top of the windscreen, twelve ultrasound sensors*, a radar, and a 180° rear-view camera** accompany you on your drive.

*Model dependent features. Specifications may change without prior notice. Please consult your dealer to confirm latest specifications. Photographs used for illustration purposes.

**As standard from GT Line and above

WHAT LIES AHEAD

Let latest-generation driving assistance features support you. Assistance includes Speed Limit Sign Recognition with recommendations*, Active Safety Brake with warnings of collision risk (Distance Alert), Lane Departure Warning*, Active Blind-Spot Monitoring*, Driver Attention Alert*, and Adaptive Cruise Control with Stop feature. Lastly, for urban driving with peace of mind, make the most of the manoeuvring and parking assistance systems.

*As standard on GT Line Plus

ANOTHER IDEA OF SCALE

Share an unforgettable trip. Configure your new PEUGEOT 5008 SUV to make sure your passengers are as comfortable as possible. At the rear are three identical, separate and entirely adjustable seats, and a third row of two fold-away retractable seats.

Model dependent features. Specifications may change without prior notice. Please consult your dealer to confirm latest specifications. Photographs used for illustration purposes.

UNLIMITED POSSIBILITIES

The new PEUGEOT 5008 SUV offers multiple possibilities by allowing you to make the most of the boot's large load volume: an especially low loading sill, a boot capacity of up to 780 litre/m³ and fold-down passenger seating to fit in items as long as 3.2 m.

With the Hands-Free Tailgate, you can open the boot by simply swiping your foot under the rear bumper.

Model dependent features. Specifications may change without prior notice. Please consult your dealer to confirm latest specifications. Photographs used for illustration purposes.

SEE THE ROAD DIFFERENTLY

With its expansive glazed surfaces and Panoramic Sunroof* embellished with guiding blue lights, enjoy an unrivalled view and a pleasant level of brightness on board. Comfortably nestled in the Multi-Point Massage Seats*, savour the feel of exquisite materials such as full-grain leather* and touches of satin chrome. Customise your interior design with Peugeot i-Cockpit® Amplify*: modulate the mood-lighting intensity and screen colour, and choose one of three scents from the integrated fragrance diffuser.

*As standard on GT Line

CONNECTIVITY AT YOUR FINGERTIPS

With the customisable digital Head-Up Display and a capacitive 8" Touchscreen, follow useful information without taking your eyes off the road. Via the Mirror Screen feature*, your Smartphone can connect to the Touchscreen and recharges automatically** and wirelessly on the centre console.

*Only Android Auto™, Apple CarPlay™ or MirrorLink® certified applications will work, when the car is stationary or moving, as applicable. When the car is moving, some features of applications are disabled. For some types of content that may be used free of charge on your Smartphone, you will need to subscribe to an equivalent pay application, certified by Android Auto™, Apple CarPlay™ or MirrorLink®. Mirror Screen works either with Android Auto™ (for Android Smartphones), Apple CarPlay™ (for iOS Smartphones), or MirrorLink® (for MirrorLink®-compatible Smartphones using Android), provided that the user has a mobile subscription and internet access. For further information, go to www.peugeot.co.za **Inductive charging for Qi-standard devices.

ENHANCED DRIVING EXPERIENCE

Heightened thrills are guaranteed in the new, full high-tech PEUGEOT i-Cockpit® driving position. Discover an intense, intuitive driving experience – enhanced by a compact full-grain leather* steering wheel with integrated controls and a one-touch automatic gearbox.

Model dependent features. Specifications may change without prior notice. Please consult your dealer to confirm latest specifications. Photographs used for illustration purposes.

THE NEW PEUGEOT 5008 GT LINE SUV

FOR YOUR DRIVING PLEASURE

The new PEUGEOT 5008 GT Line SUV has been refined to the finest detail: 19-inch two-tone diamond-cut alloy wheel rims, chrome double-tailpipes, satin-copper GT Line monograms, and Perla Nera Black door mirrors that come as standard. Exceptional finishes for a model of refinement.

STYLING TAKES PRIDE OF PLACE

The vehicle's agility is expressed with style. At the front, its two-tone sanded-chrome radiator grille edging and chrome checkered pattern are flanked by the full LED dynamic lighting signature that comes as standard. At the rear, the black strip edged with three claw-marks at each end, displays an assertive style that adds an athletic touch. The classy Black Diamond roof subtly punctuates the vehicle's line.

MAKE YOUR MARK

Be seduced by the cat-like grace of the new PEUGEOT 5008 GT Line SUV: an athletic outline, streamlined curves, a stylish design and high-end attributes from the GT Line label. A personality that asserts itself at first sight.

CUT OUT FOR THE UNEXPECTED

At the front, signature lighting and slightly curved headlights create an intense expression. The feline character of the new PEUGEOT 5008 SUV is underlined by the finish of its chrome-winged radiator grille and the vertical front-end embellished with wide air intakes.

IN THE FOOTSTEPS OF PERFECTION

At the rear, the aerodynamic shape of its angled back screen enhances its athletic build. Blazing day and night, the three claw-marks of the LED lights, incorporated into the bodywork's black strip, emphasise the unique style of the new PEUGEOT 5008 SUV.

1.6 THp 121 kW EAT6

FUEL	Petrol
TRANSMISSION	6-Speed Automatic
MAXIMUM TORQUE (Nm @ rpm)	240 @ 1 400 rpm
MAXIMUM POWER (kW @ rpm)	121 @ 6 000 rpm
COMBINED DRIVE CYCLE (L/100 km)	7.0*
CO ₂ EMISSIONS (g/km)	156*

*Emissions and fuel consumption results are based on NEDC's standard test procedure to provide customers with a basis for comparison of the performance of vehicles in accordance with AD81/02. No test can simulate all 'real world' driving conditions. Actual on-road fuel consumption will vary due to factors such as traffic conditions, vehicle conditions and load, and how you drive.

PETROL 1.6 THP 121 KW EAT6

Offered with the EAT6 6-speed automatic gearbox, the 121 kW THP turbo petrol engine boasts a high level of torque (240 Nm @ 1 400 rpm) including in lower gears. It combines dynamism and flexibility. Its 121 kW of power offers impressive acceleration. This Euro 5-compliant engine excels in terms of performance and driving pleasure, as well as lowering fuel consumption and CO₂ emissions.

2.0 HDI 110 kW EAT6

FUEL	Diesel
TRANSMISSION	6-Speed Automatic
MAXIMUM TORQUE (Nm @ rpm)	370 @ 2 000 rpm
MAXIMUM POWER (kW @ rpm)	110 @ 4 000 rpm
COMBINED DRIVE CYCLE (L/100 km)	5.0*
CO ₂ EMISSIONS (g/km)	136*

*Emissions and fuel consumption results are based on NEDC's standard test procedure to provide customers with a basis for comparison of the performance of vehicles in accordance with AD81/02. No test can simulate all 'real world' driving conditions. Actual on-road fuel consumption will vary due to factors such as traffic conditions, vehicle conditions and load, and how you drive.

DIESEL 2.0 HDI 110 KW EAT6

High-level performance is in its genes: the new PEUGEOT 5008 GT Line SUV is equipped with a 2.0 HDi Diesel or a 1.6 THP petrol engine for premium efficiency.
