New Renault DUSTER

Forever **tough**

The bold styling of the New Renault Duster turns heads no matter where you go. Its sleek yet muscular design allows you to adapt naturally to any road conditions. The unmatched fuel efficiency makes long drives pleasurable, while a variety of safety features keep all worries at bay. Packed with a host of smart features, the Renault Duster helps you get through everyday life with amazing ease.

Unlock the adventure

The adventurer in you finds its match. The New Renault Duster is the embodiment of a bold, sporty and masculine character.

Simply set off on an unwinding long drive, or an adventurous road trip. Every journey is sure to be extraordinary.

Rugged good looks

The New Renault Duster with its masculine design, chrome-plated radiator grille and double-optic front lamps has a very reassuring appearance. Its satin chrome roof rails also add to the sporty character of the vehicle and the stylish 5 spoke chunky alloys urge you to take the Renault Duster off-road.

Conquer any terrain

Wide wings and a tall stature reveal its personality: The New Renault Duster is a true off-road vehicle! Its muscular design is that of a true adventurer that is equally at ease in town.

The Renault Duster fears no terrain. Given its high ground clearance and large ramp breakover angles, it has truly amazing off-road capabilities.

Available in 4 versions to suit your every need. The 1.6 Expression 4x2, the 1.6 Dynamique 4x2, the 1.5 Dynamique 4x2 and the 1.5 Dynamique 4x4.

Comfort Station

The New Renault Duster is an SUV that marries the comforts of a sedan and the rugged strength of a very capable off-roader. The interior features an adjustable drivers seat and the height-adjustable steering wheel allows you to find the most comfortable driving position.

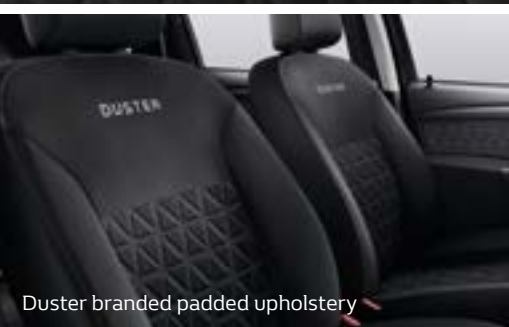

What's more, in Dynamique trim, the Renault Duster features optional leather seats and a 7" touchscreen MediaNav® entertainment system as standard with built-in navigation.

Powering exploration

Rediscover effortless driving with the New Renault Duster. Available in two fuel options and two engine options. The first is the petrol 1.6l 16v engine with outputs of 77kW and 148Nm of torque.

The second is the diesel 1.5dCi engine with outputs of 80kW and 240Nm. Both engines are very fuel efficient with the petrol using 7.6l/100km and the diesel 4x2 just 4.8l/100km.

Transmission mode selector

4x4 Capabilities

The New Renault Duster's structure allows it to naturally cope with all on and off-road conditions. With its intuitive 4x4 control system, the Duster adapts to all situations, making driving easy. 2WD Mode - engine torque distributed to the front wheels. Automatic Mode - automatic distribution of engine torque over the four wheels depending on grip conditions. Lock Mode - engine torque distributed to all four wheels.

MediaNav® Just touch

What could be more exciting than having the future at your fingertips? With the Renault MediaNav® touchscreen multimedia tablet, you can explore a range of functionalities with ease: Integrated navigation, multimedia, radio and telephone system with Bluetooth® connectivity.
