Assert your demands

New Renault Koleos broadens your outlook. A previously unseen alliance of power and refinement, its assertive design pushes the boundaries of what is expected and expresses itself with innovative style. Its confident stature inspires respect.

An SUV with large shoulders and muscular side panels, its robust front end, broad tyres and large wheelbase give it the look of a partner that can rise to any challenge and take you further, whatever route or adventure you want to pursue.

Renault Koleos is a bold step forward in automotive design and technology. With space that exceeds expectations and levels of comfort and finish that make every journey a pleasure.

Features and images may vary and be optional depending on model, and are subject to change without notice.

The art of drawing attention

Renault Koleos embodies new aspirations. Charismatic, with a sense of detail and personality enhanced by its sleek appearance and athletic curves. The chrome inserts that start at the headlamps underline the vehicle's dynamism and strength of character in an elegant and singular fashion. The striking forms of the full LED lighting signature attract attention and make an impression. Right down to the robust look of the 18 inch alloy wheels, Koleos reflects your desire to get ahead.

Rise to every challenge

Behind its chic urban styling, Koleos has the DNA of a true 4x4.

Experience every day as a new adventure and go off the beaten track with ALL MODE 4x4-i technology. Simply flip the switch located next to the steering wheel to change from 2WD to LOCK mode and benefit from permanent full transmission to help deal with obstacles. Push the boundaries!

With Renault Koleos, the city is as easy to cross as it is to impress.

Features and images may vary and be optional depending on model, and are subject to change without notice.

The journey starts with the interior

As soon as you settle on board, you already feel as if you are somewhere else. Nothing here is left to chance. Everything is a step above: the materials, the satin finish on the chrome inserts, and the finely stitched leather*. The driver's seat surrounds you in reassuring comfort.

Drive an SUV that offers you all of the advantages of an upmarket saloon. The raised seating position lets you master the road, and the architecture of the driving position bordered by the central console reinforces the feeling of protection. Grab handles serve as a reminder you're in a real 4X4.

True refinement, for your pleasure on every journey.

*Bovine leather.

Intuitive technology, instant pleasure

The technology provides you with all the new on-board experiences that Renault has to offer. A complete, intuitive universe of instant pleasure awaits you in the new Koleos. Immerse yourself in a rich acoustic experience delivered via the premium Arkamys 3D Sound System.

The Koleos range features Apple CarPlay® and Android Auto® for a better experience. It's a 'capacitive' touchscreen, which means it's easy to use. Simply drag, pinch, or swipe to navigate the same way you would on a tablet or smart phone. After all, good technology makes life simpler, not more complicated.

Configure the display on the «TFT» (Thin-Film Transistor) screens on the dashboard, and choose your information using the 5 themes on offer with the Welcome Sequence and lighting signature illumination, the complete lighting environment in the cabin will harmonise. Go further and explore the intuitive world of the R-LINK 2 connected 8.7 inch tablet, fully control the vehicle's functions including multimedia, navigation, telephony, radio and driving assistance systems.

Renault Koleos rises to the challenge: it offers you the best technology and makes it easy to use!

Features and images may vary and be optional depending on model, and are subject to change without notice.

Features and images may vary and be optional depending on model, and are subject to change without notice.

Every aspect of comfort

Renault Koleos is ambitious just like you, and takes every aspect of you and your passengers' comfort into account, offering them more generous legroom.

A compartment for keeping your drinks hot or cold can be found at the front cabin. Wellbeing is everywhere for everyone on board Koleos.

Every detail of the interior has been carefully considered with clean lines and superior finishes with the inviting and enveloping driving position of an SUV for you to master all roads. Welcome to comfort that goes the extra mile.

Freedom of movement

You approach and it reacts, switching on daytime running lights, unlocking doors, and extending door mirrors.

Do you need to load luggage? Use your remote key or place your foot underneath the rear bumper; the motorised tailgate opens automatically providing you with access within just 5 seconds to the 464 litre luggage compartment.

Organise modular space to your requirements in a single movement with the Easy Break system. The rear seats fold down to create a flat floor space. The low loading sill makes it easier to place your more cumbersome items inside.

New Koleos, designed for living a life of adventure.

Features and images may vary and be optional depending on model, and are subject to change without notice.

Safety tech

Drive with peace of mind on every adventure! Renault Koleos is on top of safety, extensively equipped with intuitive accident protection and prevention technologies.

Adaptive airbags that protects with multi-stage, variable force deployment airbags. This variable deployment is determined by the severity of the accident and proximity of the driver and front passenger to the dash or steering wheel. Renault Koleos also features lateral pelvis and chest level airbags for front occupants, and curtain airbags for the entire cabin.

Automatic locking when driving, or leaving the car, Renault Koleos will automatically engage the door locks, never leaving you exposed.

Driver assistance

Enjoy your journey, while the Renault Koleos makes your drive safer and more relaxed, with well engineered driver assistance intuition.

Starting the Renault Koleos on steep slopes is no worry. When you take your foot off the brake, **hill-start assist** takes over and holds the vehicle steady for two seconds. This gives you time to accelerate normally without stalling or rolling back.

Your drive is covered by **front and rear parking sensors with rear parking camera**. The touchscreen display lets you know with visual guidelines and audible warnings when moving or static objects are too close for comfort.

Vehicles entering your blind spot are detected by a befitting **blind spot warning system**. An indicator light located on each wing mirror warning you of potential hazards.

Maximum versatility

The leather wrapped grab handles for both driver and front passenger are not there for show. With its high ground clearance and off road ability, Renault Koleos is a genuine 4WD vehicle. Renault Koleos offers a range of driving options so you can confidently traverse a variety of surfaces and driving conditions. Introducing Renault ALL MODE 4x4-i Technology with the push of a button, you can switch between three different driving modes to suite the conditions you’re driving in.

In **2WD mode**, only the front wheels will power the vehicle. It’s designed for driving on sealed roads, manoeuvring through city traffic or cruising down a motorway. This mode **delivers maximum fuel efficiency** in safe driving conditions. Use **auto mode** when conditions are wet, slippery or the road surface is unsealed. Sensors will distribute torque between the front and rear wheels to match road conditions, reducing the chance of wheel spin. In tight cornering or braking situations, this mode will deliver optimum torque to the rear wheels.

Lock Renault Koleos in **4WD/lock mode** when driving on unsealed or slippery roads and off road or steep hills. Front and rear wheel torque distribution is fixed, ensuring permanent transmission between the four wheels to maximise the vehicles clearance capability and stability. When LOCK mode is selected, Renault Koleos will switch automatically to AUTO mode when your speed increases above 40 kph.

Creative workshop

EXPRESSION

Interior environment

Exterior Appearance

- Automatic LED daytime running lights
- Grille with chrome trim
- Body-colour door mirrors
- Chrome exterior door handles
- Longitudinal roof bars

Seats and Interior Environments

- Leather steering wheel
- Upholstery (Fabric - Black)
- Sunvisor with mirror

Active and Passive Safety

- ABS (Anti-lock Braking System)
- EBA (Emergency Brake Assist)
- Electronic Stability Control (ESC) with Hill Start Assist
- Electronic Brakeforce Distribution (EBD)
- Driver, front passenger & curtain airbags
- Isofix 3-point seat attachment system
- Side impact beams
- Front & rear bumper protection

Visibility

- Auto headlights and windscreen wipers
- Cornering foglamps

Comfort

- Air conditioning with rear seat ducts (Automatic dual-zone)
- Air vents for rear passengers
- Electric windows front/rear
- Retractable key
- Central door locking
- Steering wheel adjustable for height and reach
- Sliding central armrest with storage compartment
- Grab handles x 2 (driver & passenger sides)
- Cup holders in centre console x 2
- Cooled/warmed cupholder
- Driver's seat: Manual function (slide + reclining + lifter) without lumbar adjustment.
- Passenger seat: Manual (slide + reclining)

Driving and Control Equipment

- Cruise control and speed limiter
- Rear parking sensors
- LED dashboard

Intelligent Technology

- R-Link 2. 7" touch screen
- USB connectivity plugs, front. (including iPod + 1 jack)
- Handsfree phone (with graphics) and audio/photo streaming via Bluetooth®
- Arkamys® 3D sound (4 boomers + 4 tweeters)
- Eco-Mode
- Smartphone mirror function for Apple CarPlay® / Android Auto®
- Intuitive voice command

Wheels & Tyres

- 18" Argonaute Alloy wheels
- Full size spare wheel (steel)

DYNAMIQUE

Interior environment

Dynamique = Expression +

Exterior Appearance

- Satin front skidplate

Seats and Interior Environments

- Leather seats* electric adjustable

Active and Passive Safety

- Blind spot warning
- Tyre pressure monitor

Visibility

- Pure Vision LED headlights
- Electrochrome rearview mirror
- Electronic folding door mirrors

Comfort

- Hands-free keycard
- Driver's seat: Power function (slide + reclining + lifter) + lumbar adjustment.
- Passenger seat: Power (slide + reclining + lifter)
- Rear fixed bench seat - easy folding
- Hands-free power tailgate

Driving and Control Equipment

- Front, rear & side parking sensors
- Reversing camera
- LED dashboard with ambient lighting
- Atmospheric interior lighting
- Electronic parking brake

Intelligent Technology

- R-Link 2. 8.7" capacitive touch screen with A/C control/display
- USB connectivity plugs, front. (including iPod + 1 jack + 2 rear USB charging plugs)
- Eco-Drive + Eco-Scoring with rear view camera

Wheels & Tyres

- 18" Two-Tone Alloy wheels

* Bovine leather. The seats are completely upholstered in pigmented corrected grain leather/calfskin on the front side of the seat cushion, the seat back, the headrests and the side impact bars. The other parts are covered in coated textile.

Accessories

Exterior

01 Side steps

Dare to be different and treat yourself to an adventurer's style. A convenient accessory that makes it easier to access your vehicle and its roof. They also protect the bodywork from small daily impacts. The pack contains 2 side steps for the right and left sides.

82 01 720 241

02 Bicycle rack on towbar

Whether alone or with several people in the car, take your bikes with you everywhere, quickly, simply and safely! Can be quickly fitted to the towbar without any adjustments: the most practical way to transport up to 3 bikes. Foldable and tiltable, it always leaves the boot accessible, even when the bikes are installed on the bike rack. Several models available depending on your needs.

77 11 577 331

03 Tool-free removable towbar

Essential for towing or transporting your equipment in complete safety, e.g. bicycle rack, trailer, boat, caravan, or professional gear. Official Renault equipment – for perfect compatibility with your vehicle. Thanks to its ball joint that can be easily removed without tools, the aesthetic appearance of your vehicle is maintained. Recommended for frequent use.

The pack contains a complete towbar kit (cross member, attachment kit with removable ball joint) and a wiring harness.

82 01 663 737 - Towbar

82 01 667 175 - Harness

04 Roof storage/locker

Increase the loading volume of your vehicle and travel without compromise! Practical, robust and aesthetically appealing – it has all the qualities you need. Secured with a lock in order to protect your possessions inside.

Colour: glossy black.

77 11 575 524

05 Quick Fix roof bars Aluminium - on longitudinal bars

The innovative QuickFix system makes it quick and easy to install without tools. Ideal for transporting a bicycle rack, ski rack, or roof box, increasing the vehicle's loading capacity. This official Renault equipment meets advanced safety and resistance requirements. Set of two bars with anti-theft system.

82 01 622 100

06 Boot sill - Stainless steel

Cover and protect the rear bumper with an aesthetically appealing and made-to-measure accessory. Made of polished stainless steel and embossed, it adds a designer touch to the rear of your vehicle.

82 01 665 650

Actual accessories may vary from photographs shown and are subject to change without notice.

Accessories

Interior

01 Portable smartphone holder - Vent-mounted - Magnetic

Make full use of your smartphone in complete safety when you are driving. Small and discreet, the holder is incorporated into the design of your vehicle. The magnetic system allows you to easily attach your smartphone to your car's air vents. It is removable and can be easily transferred from one vehicle to another.

77 11 784 774

02 Storage nets

Ideal for arranging the interior of your boot. Matching the dimensions of your vehicle, they ensure items are perfectly kept in place during your journeys. Available in horizontal and vertical versions.

82 01 568 849

03 Rear view camera

Make your manoeuvres more comfortably. In reverse gear, see the area behind your vehicle directly from the navigation screen. The guide lines, superimposed on the image, allow you to evaluate your distance from obstacles and anticipate the trajectory.

82 01 653 722

Parts Availability

Renault ranks amongst South Africa’s motor industry leaders in affordable parts pricing.
We strive to ensure an excellent level of parts availability at our Renault Dealerships.

5 Year / 150 000km Warranty

With a 5 year / 150 000km warranty*, you’re always covered.
Should you experience any mechanical failure resulting from a defect in an original part(s) on your new Renault vehicle, Renault will cover the cost of repairs for a period of 5 years or 150 000km.

Service / Maintenance Plans

We offer standard or tailor-made options to suit your needs.

Service Plan

Having a Service Plan reduces the costs of servicing your new car. The price of the Service Plan is fixed when you buy your car, so you won't have to worry about inflationary price increases on labour or parts; for the duration of your Service Plan.

Maintenance Plan

Upgrade to a full Maintenance Plan, a comprehensive package that not only covers all your service, maintenance and labour costs over a contract period, but also gives you greater peace of mind.

24HR Roadside Assistance

Whatever the emergency, we’ll always be there.

Because your personal safety is of utmost importance to us, help is one phone call away. Simply dial 0861 736 2858 for assistance or for a team to be dispatched to you. Our 24 hour Roadside Assistance Plan covers all new Renault vehicles for a period of 5 years or 150 000km with an option for extension.

*Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutch, cam belt, etc. Terms & conditions apply.
