70 Series

AS RUGGED AS AFRICA

The indestructible Land Cruiser 70 series surrenders to no challenge; it is steadfast and bold. This range of vehicles is built to perform and work as hard as you do, which is why they have been at the helm of 4x4 African motoring for more than 60 years. A 4.5 litre V8 engine with 151 kW of power and 430 Nm of torque is now available in the Station Wagon, Single Cab and Double Cab ranges. Tackling the toughest of terrains with ease, the Land Cruiser 70 series is truly as rugged as Africa.

The Land Cruiser 70 series is available in seven models:

Land Cruiser 76 Station Wagon Diesel 4.5ℓ V8

Land Cruiser 79 Single Cab Diesel 4.2ℓ

Land Cruiser 79 Single Cab Petrol 4.0ℓ

Land Cruiser 79 Single Cab Diesel 4.5ℓ V8

Land Cruiser 79 Double Cab Diesel 4.2ℓ

Land Cruiser 79 Double Cab Petrol 4.0ℓ

Land Cruiser 79 Double Cab Diesel 4.5ℓ V8

70 Series **76 V8 STATION WAGON**

EMBARK ON AN AFRICAN ADVENTURE

If you're planning on venturing into the wild open country, the Land Cruiser 76 V8 Station Wagon is the perfect vehicle to see it all and get away from it all. Its spacious interior can seat up to five adults in comfort with extra space for luggage. The vehicle also has a fuel capacity of 130 litres to take you further into the wilderness.

The Land Cruiser 76 V8 Station Wagon has the flexibility of a five-seater with the formidable ability of a 4x4, making it the perfect vehicle to witness the wonder of nature with the whole family. The 4.5 litre V8 engine with 151 kW of power and 430 Nm of torque will turn any mountain into a mere molehill.

The Interior

Even though the Land Cruiser 76 V8 Station Wagon is about roughing it in the great outdoors, its interior is comfort-centred. A rear console helps keep everything in its place, plus the back pockets on the driver and front passenger seats give the rear passengers space to store whatever they need for the journey ahead. A rear bench adds extra seating space for up to five passengers, while the station wagon's impressive proportions allow ample legroom for all its occupants. For convenience, the Land Cruiser 76 V8 has electrically adjustable windows. The Land Cruiser 76 V8 Station Wagon now comes with a navigation system, Miracast (Android), Auto Plus Show (Android) and Apple Car Play (iOS).

The Exterior

The Land Cruiser 76 V8 is much more than a station wagon! Everything about it is rugged, from its imposing 230 mm ground clearance down to the 16" alloy wheels. Its already strong-featured look is taken to the next level with the painted and plated front bumper, while the aluminium side steps make getting in and out of the Land Cruiser 76 V8 simple.

SUTHERLAND.

BELOW YOUR LAND CRUISER,
THE ROCKS OF MILLENNIA PAST.**

70 Series **79 SINGLE CAB**

BRAVELY COMBAT THE TERRAIN

This vehicle is the ultimate workhorse for the tough African environment. It has got the power to take charge of the most demanding conditions and even with a full one-ton load, this pick-up will go wherever you take it. It is also available in a 4.5 litre V8 engine with 151 kW of power and 430 Nm of torque that will give your Land Cruiser extra staying power to go where most wouldn't dare.

THE EXTERIOR

The Land Cruiser 79 Single Cab is reliable through and through. Its all-welded integral cabin provides extra strength and safety, which reduces dust/water entry and corrosion that could result from deep water driving. The heavy-duty frame, suspension and drivetrain ensure it can carry the heaviest of loads, both on and off-road. This is aided by the super long wheelbase of 3180 mm. Front fog lamps, alloy wheels and chrome finishes on the grille and door handles make the Land Cruiser 79 Single Cab not only practical but adds an edgy style to it as well.

THE INTERIOR

The interior of the Land Cruiser 79 is not only practical, it's built to be comfortable for the driver and passenger no matter where their work takes them. An air conditioner to ensure you're never at the mercy of the weather, regardless of the temperature outside, is a standard feature. Front bottle holders to keep your drinks spill-free, and the lockable glove box to safely stow-away your possessions are two other standard features. For convenience, the Land Cruiser 79 Single Cab also has electrically adjustable windows.

NO DANGER, JUST ADVENTURE AWAITS.**

Model shown: Land Cruiser 79 Single Cab Diesel 4.5l V8

70 Series **79 DOUBLE CAB**

DO ANYTHING, EXPLORE EVERYWHERE

The Land Cruiser 79 Double Cab comes equipped with the durability of the Land Cruiser 79 Single Cab and the extra advantage of rear seating space in the cabin. The Double Cab is multi-functional – it's strong enough to carry heavy loads and is versatile enough to transport five occupants in comfort. The Double Cab is also available in a 4.5 litre V8 engine with 151 Kw of power and 430 Nm of torque, so you can get anyone or anything – anywhere.

Model shown: Land Cruiser 79 Double Cab

THE EXTERIOR

Taming the African wild is no mean feat. A certain resilience is needed, something the Land Cruiser 79 Double Cab has got in bakkie loads. This vehicle delivers a go-anywhere carrying capacity in style. The Land Cruiser 79 comes standard with chrome finishes on the grille and door handles, aluminium side steps, as well as front fog lamps. The load bay is 1525 mm in length and 1600 mm wide with a load capacity of between 920 kg and 1005 kg, depending on which model you choose.

Tilt adjustable steering wheel

THE INTERIOR

The Land Cruiser 79 Double Cab's exterior is made to be indestructible but its interior features afford you and your passengers the highest level of comfort. Electrically adjustable windows and an air conditioner to make even the hottest of places bearable, while an audio system with Bluetooth and USB port makes sure you're never bored on desolate stretches of road. The Land Cruiser 79 Double Cab range now comes with a navigation system, Miracast (Android), Auto Plus Show (Android) and Apple Car Play (iOS).

THE NAMIB DESERT.

THE NAMIB DESERT IS AN ECO-SYSTEM OF CONTRASTS. IT'S A PLACE WHERE COASTLINE MEETS WITH DESERT, A PLACE WHERE THE HARDIEST OF CREATURES SURVIVE. TEMPERATURES SOAR TO 40°C AND THE HEAT PERMEATES EVERY CONCEIVABLE LIVING SPACE. NIGHTTIME APPROACHES, TEMPERATURES QUICKLY FALL TO BELOW 0°C. NAMIBIA IS A PLACE OF HIGH HIGHS AND LOW LOWS, A PLACE THE LAND CRUISER CAN TACKLE WITH EASE.

POWER OVER THE WILDERNESS

The Land Cruiser 70 range is suited for any call up; its three powerful and reliable engine options conquer the toughest of terrains. The 4.2 litre diesel engine delivers power of 94 kW @ 3800 and 280 Nm @ 2200 r/min on the Land Cruiser 79 Single Cab and 79 Double Cab. The 4.0 litre petrol engine available only on the Land Cruiser 79 Single Cab and Double Cab delivers power of 170 kW @ 5200 r/min and torque of 360 Nm @ 3800 r/min. The Land Cruiser Station Wagon, Single Cab or Double Cab are available with a 4.5 litre V8 engine with 151 Kw of power and 430 Nm of torque, running on a 5-speed manual transmission to conquer even the most seemingly impossible challenges.

The Land Cruiser 70 range features a 5-speed manual transmission and an additional 4-position 4-wheel drive transfer lever, giving the driver maximum control. Its coil spring rigid axle front suspension, in combination with its long wheelbase, offers outstanding directional stability at any speed, in any condition. A leaf spring rigid axle rear suspension ensures that occupants are always comfortable. The Land Cruiser 76 V8 has a ground clearance of 230 mm, while the Land Cruiser 79 model is 235 mm above the ground, allowing the vehicles to handle off-road conditions with confidence.

1 FRONT COIL SPRING SUSPENSION

3 HEAVY DUTY LEAF SUSPENSION

PROTECTION FROM THE ELEMENTS (and anything else Africa throws at you)

It takes ultimate courage to stand up to the challenges that make Africa uniquely African. The Land Cruiser 70 range is confidently geared to withstand whatever perilous conditions it encounters; its safety and security standards are class-leading.

Driver and front passenger airbags are standard on all models, and the extended front bumper prevents unnecessary airbag response when driving off-road. The Land Cruiser 70 range comes with an additional safety feature, the Anti-lock Braking System (ABS) which prevents wheels from locking up when driving on slippery surfaces. Rear differential on all models give extra traction to the rear-wheels to help you negotiate your way out of difficult situations. Ventilated front disk brakes and rear drum brakes make stopping easier on any terrain. For security and peace of mind, all the vehicles in the Land Cruiser 70 V8 models are fitted with an immobiliser, wireless door lock on the entire range.

1 Coil spring front suspension for good road holding and ride comfort

2 Heavy duty, durable differential pinions (Single Cab)

3 Long rear leaf springs

4 Strong and durable drive shafts

5 Durable solid front axle

6 Ventilated front disc brakes

7 Extra-strong heavy duty ladder frame

The Land Cruiser 70 series range is made to work for you and with you, whatever job you might have. Choose from our long list of accessories that best suit your Land Cruiser:

SUSTAINABILITY

At Toyota, creating technologically advanced vehicles isn't our only priority; we're committed to lowering our environmental impact throughout our entire production process. How? By setting ourselves six challenges that will see us reach a truly world-changing goal: a positive environmental impact by 2050.

CHALLENGE 1

NEW VEHICLE ZERO CO₂ EMISSIONS CHALLENGE

By owning a Toyota, you will be contributing to our challenge to reduce vehicle CO₂ emissions by 90% in comparison to 2010 levels, by 2050. You will help us promote the development of next-generation vehicles and further accelerate the spread of these vehicles.

CHALLENGE 3

PLANT ZERO CO₂ EMISSIONS CHALLENGE

Our strategies to achieve zero CO₂ emissions at our plants are:

- 1) Developing and introducing low-CO₂ technologies with ongoing "Kaizen".
- 2) Adopting renewable energy sources and utilising hydrogen energy.

CHALLENGE 5

CHALLENGE OF ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEM

We have been working for 40 years on our resource recycling challenge. We will continue working on the challenge of establishing a recycling-based society by rolling out the technology and systems evolved in Japan, to the world.

CHALLENGE 2

LIFE CYCLE ZERO CO₂ EMISSIONS CHALLENGE

Your purchase is lending a helping hand to Toyota's efforts to reduce to zero, not only CO₂ emissions produced in travelling and manufacturing, but all CO₂ emissions included in the process of materials production, disposal and recycling of vehicles.

CHALLENGE 4

CHALLENGE OF MINIMISING AND OPTIMISING WATER USAGE

In automobile manufacturing, we use water in painting, forging and other processes. Therefore, even a small reduction of its impact on the water environment is important. We have two measures to achieve this. These are the comprehensive reduction of the amount of water used, and comprehensive water purification and returning it to the earth.

CHALLENGE 6

CHALLENGE OF ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

At Toyota, we have engaged in planting trees at our plants and environmental conservation activities in our surrounding areas. We are also promoting several activities across regions and the world to establish a society where humans and nature coexist in harmony.

Toyota vehicles are known for their Quality, Durability and Reliability. Keeping your Toyota Genuine means no compromises in terms of safety, performance and resale value. The range of Genuine Products and Approved Services will ensure complete peace of mind throughout the ownership journey and beyond. For more information on how to Keep Your Toyota Genuine visit www.toyota.co.za/genuine

Toyota Genuine Products

For guaranteed fit and function, **Genuine Parts** are essential in maintaining the safety and reliability of your vehicle. They also comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to **Toyota Accessories**, developed by engineers with extensive knowledge on vehicle integration – you can enhance the appeal and functionality of your Land Cruiser 70 Series without compromising its safety features or warranty. Warranties are about peace of mind, and the **Genuine Unlimited Warranty** is designed to provide superior cover (up to 6 or 8 years, unlimited mileage) and a seamless claims process thanks to full integration with Toyota systems. The **Genuine Extended Service Plan** also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 10 years or 200 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect the resale value of your Land Cruiser 70 Series by means of a full service history.

Toyota Approved Services

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. **Toyota Quality Service and Value Service** not only promise accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have a vast number of **Accredited Body and Paint Repairers**, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising its warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, **Toyota Roadside Assistance** provides the peace of mind that competent support is only a phone call away.

TOYOTA GENUINE MEANS

✓ UNCOMPROMISED SAFETY ✓ GUARANTEED QUALITY ✓ PEACE OF MIND

Download the **MyToyota** App from the [Google Play Store](https://play.google.com/store/apps/details?id=com.toyota) or the [App Store](https://apps.apple.com/za/app/mytoyota/id1450844444) to receive the latest Toyota news, keep an eye on your vehicle's finance and book your vehicle for a service. You can also book a test drive or arrange roadside assistance, all on your phone.
